Appointees OK'd in Granite City

By SUSAN SIGNAIGO-WEICH
Staff writer

Granite City aldermen approved 17 new mayoral appointments Tuesday night, including new police and fire chiefs.

Named police chief was Bill D. Harris, a 21-year veteran of the police department. Joe C. Holder, a 27-year employee of the fire department, was appointed fire chief.

HARRIS, 45, is a lifelong resident of Granite City. He was educated at Granite City schools, where he participated in the football and wrestling programs.

Harris has attended liberal arts classes at Southern Illinois University at Edwardsville.

He joined the police department May 1, 1964, and has served in the patrol division, as a juvenile officer and as a detective with the police force.

HARRIS AND HIS wife, Joyce, have two children — Dana, 23, and Dan, 20.

During his first day in office Wednesday, Harris made a few adjustments in the assignments.

Harris has named Capt. James Lengyel as the captain of the In-

vestigative Unit. Lengyel will replace Capt. Harry Mitchell, who retired earlier this month.

CAPT. GLENN Wright will head the Patrol Division, taking Lengyel's old position, and Capt. Gerald Pinkerton will remain as captain of the Services Unit.

A reassignment also has been made among the secretaries. Judy Dallas has been named the secretary to the chief and Nadine Harrison will be the secretary of the Investigative Unit. Marion Henderson will remain the secretary of the Records Department.

Holder, 54, joined the fire department in August 1956. Holder also is a lifelong resident of the city.

HE WAS EDUCATED in Granite City schools and served in the U.S. Navy as a fireman from 1950 to 1954.

Holder and his wife, Jean, have three daughters, Karen, Ann and Mary.

Holder said Wednesday he may make some rule changes in the department, but no personnel changes will be made, since positions held are decided by seniority and testing.

OTHER APPOINTMENTS approved by the council Wednesday included Henry Bielecki as special assistant to the mayor. Bielecki will be paid \$1 per year.

The new city attorney is Mark Goldenberg. Assistant city attorneys are Charles R. Douglas and John J. Hopkins.

The Board of Fire and Police Commissioners appointed were Dan Partney, Bob Barton and E. Joseph Williams. Mayor Van DeCruze had originally said he would appoint Ed Vaughn, but apparently changed his mind and named Williams instead.

ERVIN DEROUSSE was approved as city inspector. John Chomko as deputy liquor commissioner and Donna Fanning as secretary to the mayor.

Others approved included Julian Smith as plumbing inspector, Warren L. Decatur, former alderman of the 4th Ward, as electrical inspector and John Jakich as building inspector.

Darlene Laub was also approved as the interim assessor for Granite City Township, to serve until she officially takes over the position in January.

THE ONLY appointee who remains in the position he formerly held in Mayor Paul Schuler's administration is City Comptroller Joe Mikovic.

Terrence McMillan, current superintendent of the sewage treatment plant, was to be reappointed but he has accepted a job with a Metro-East chemical company and will be resigning this month.

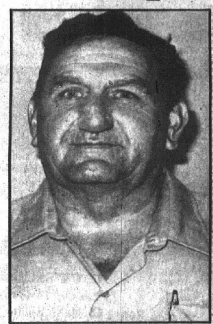

All of the appointments, except the naming of Partney to the Board of Fire and Police Commissioners, were approved unanimously by the council. Partney's appointment was opposed by Alderman Sam Whitmer.

The appointments will be for the term of one year, with the exception of Hopkins, who will begin his term as assistant city attorney June 1, and the Board of Fire and Police Commissioners. Partney is appointed for three years. Barton for two years and Williams has a one-year term.

CRUSE HAS NOT named any changes thus far in the various other city boards, such as the Library Board, the Board of Appeals and the Plan Commission.

TAKING THE OATH. Madison city officials are administered their oaths of office by Madison County Circuit Judge Charles Chapman, far right, during the Madison City Council meeting Tuesday night. Left to right are aldermen Charles Rockst, incumbent, 4th Ward; Christ Costoff, incumbent, 2nd Ward, and

Don Wilson, 3rd Ward; Mayor John Bellcoff; Treasurer Fred Bathon, Clerk William Weidner, and Alderman James Hillmer, 1st Ward. Elected officials in Granite City and Granite City Township also were sworn in Tuesday night.

(Staff photo by Patrick Foley)

Mayor Bellcoff names city officials

By DONNA KIMBRO
Staff writer

John Bellcoff officially became mayor of Madison Tuesday night in a ceremony conducted by Circuit Court Judge Charles Chapman, a former Madison resident, and witnessed by an overflowing crowd of supporters.

Bellcoff received a standing ovation from the gathering, which was in a jubilant mood, as he entered the council room. The main item of business was the designation of new city appointees.

THE NEW MAYOR and other newly-elected officials, City Clerk William Weidner, City Treasurer Fred Bathon and Aldermen James Hillmer, 1st Ward, Christ Costoff, 2nd Ward, Don Wilson, 3rd Ward, and Charles Rockst, 4th Ward, were sworn in by Judge Chapman in a single ceremony. Costoff and Rockst, incumbents, began new four-year terms.

Acting Mayor Thomas Gordon opened the session and addressed the council, saying, "I have enjoyed serving the city as alderman for eight years and then as interim mayor. I wish all of you the best of luck and pray for future success."

After the ceremony, Gordon said, "This is a historic opportunity for the community. With your approval, I would like to present this gavel that has been used for a number of years, in this council room, to the Stephen Macraes family."

AFTER THE GAVEL was given to Mrs. Sally Macraes, daughter-in-law of the 1942-70 mayor, she presented it to Mayor Bellcoff, saying, "My father-in-law, the late mayor of Madison, used this for 28 years and I hope you will use it for 28 years."

Gordon next presented a new gavel, engraved with Bellcoff's name and the symbol of the office, to the new mayor.

All business transactions—with

the exception of the appointments, reading of minutes and approval of bills amounting to \$85,373, were tabled until the next regular meeting by a unanimous vote of the council.

AS HIS FIRST official act, Mayor Bellcoff voiced thanks to Gordon, Andrew Economy, Ida Dant and Hilbert Hoekstra for "a job well done" for the citizens of the community. Gordon, Economy and Dant left the council and Hoekstra ended his service as city treasurer.

Bellcoff was city clerk until becoming mayor. Appointments made by the new mayor included Lieutenant William Papa as the new chief of police. Robbie Robbins as superintendent of streets, Rick Tutka as city comptroller and Larry Hartman as city attorney.

His recommendations were approved by the council. BELLCOFF SAID that, to conform with the present ordinance regulating the fire department, he was naming Robert Hollenbeck as acting fire chief and Charles Voloski as acting assistant fire chief, and

would retain all firemen and cadet firemen for a 30-day period until a re-evaluation can be made.

"Either by the next meeting or at the end of 30 days, I will announce the results of a re-evaluation of the fire, street and recreation departments and other city appointees," he said.

Bellcoff asked Alderman William Gushfield to read an ordinance abolishing the alarm director position. The abolition was approved 5-1, with Gushfield, Paul Ashford and Robert Grieve opposed. Favoring it were the four aldermen newly sworn in and Alderman Don Garrett.

A PROPOSAL that the First National Bank in Madison be made the depository for city funds brought a question from Gushfield, who asked if it would be a conflict since the mayor is employed at the bank.

Hartman responded, saying he already had checked on this and found there is no conflict. The depository motion was approved. The bank has served as a Madison depository for a number of years, officials said.

BAC makes offer for GCC

By DAVE WHALEY
Staff writer

The Granite City School Board on Tuesday night decided to hold judgment on an offer from Belleville Area College to purchase the former Granite City High School North.

BAC made an offer to the board last month for the college to give a notice of non-renewal of its lease from May 17 to June 15.

The current two-year lease with the district expires Aug. 15. Results of a telephone survey done by Public Response Inc. of St. Louis about the desirability of a transfer of title of the property to BAC were

given to the board by Ron Wright, a representative of the firm.

WRIGHT SAID 301 interviews were completed, from April 25 through April 27, with area residents, and four main themes emerged.

1. There is widespread acceptance and belief of the need for a community college in this area. The survey indicated 80.8 percent of those responding agreed community college services are an important part of this region.

2. Respondents have a good attitude about BAC. A good or excellent rating was given the college by 72.4 percent of those responding.

3. THERE IS majority support for the proposed ownership of the campus by BAC. If the property were to be given to BAC, 57.8 percent of the

GC can't cork liquor meeting

By SUSAN SIGNAIGO-WEICH

An attempt to cancel a meeting, set up to discuss the possibility of giving Granite City supermarkets liquor licenses, failed to get council approval Tuesday night.

The caucus was called last month by Alderman Sharon Perjak, 4th Ward, after the City Council received requests for liquor licenses from National Supermarket, The Kroger Co., Schnucks, Markets, Shop 'N Save and Walgreen's. National, Schnucks and Walgreen's had requested liquor licenses in the past and had been denied.

ALDERMAN CASMER Skubish, 2nd Ward, said the caucus should be canceled.

"This city is oversaturated with liquor licenses now," Skubish said. "I don't see the wisdom in putting small stores out of business."

He said an increase in the number of liquor licenses would not increase the consumption of alcohol.

"WE HAVE ONLY a certain amount of money in the economy," Skubish said. "An increase in (liquor) licenses will not increase city revenue."

Skubish was opposed by Alderman Brett Hanke, 3rd Ward, who said it is a point of aldermanic courtesy to allow other members of the council to call special meetings.

Alderman Paul Fisk, 3rd Ward, agreed, saying every alderman has the right to call a meeting.

HANKE FURTHER backed up his statement by paraphrasing from the city Municipal Code.

When Alderman Skubish suggested Hanke was out of order, Hanke replied that "a point of order is always in order."

"The city Municipal Code says the council is to use Roberts Rules of Order," Hanke said. "The council is not to make up its own rules as it goes along."

HANKE'S RESPONSE met with applause from the crowd of about 150 residents.

During a vote once on the motion to cancel the meeting, Aldermen Everett Morien, Skubish and Sam Whitmer voted in favor of canceling it.

Aldermen voting to discuss the possibility of expanding the number of liquor licenses included Fred "Pat" Schuman, Hanke, Fisk, Phillip Miller, Jake Varadani, Lloyd Bailey, Woodrow "Woody" Neale, Judy Whitaker, Michael Modrusic and John "Jeff" Worthen.

PERJAK WAS NOT present at the meeting.

The caucus is scheduled at 6 p.m. Tuesday, May 21, at the Granite City Township Hall, 2060 Delmar Ave. The meeting is open to the public.

Gordon makes request for MESD documents

By SUSANNE INDELICATO
Staff writer

Thomas S. Gordon, former acting mayor of Madison, has requested a number of reports and documents from the Metro-East Sanitary District. The request, dated May 7, is the latest action by Madison officials to gain an easement to extend water service to the city's newly annexed areas.

After receiving the request Wednesday, the MESD Board of Commissioners voted to name MESD Executive Director Walter "Shang" Greathouse as Freedom of Information officer. Greathouse said he will meet with MESD attorney John Sprague to set up guidelines, such as copy costs, for supplying the information requested under the Freedom of Information Act.

COMMISSIONER Russell Robinson commented, "A new administration (in Madison) took over last night. Do they feel the same way? Really and truly, before I get too far into this thing, I'd sit down and say, 'John (Madison Mayor John Bellcoff), is this what you want to do?'"

Bellcoff, contacted after the MESD board meeting, said he has not determined at this time whether he will seek the easement to the annexed area. "I'm right now getting into it," he said, noting that he took over as mayor Tuesday. "I'm making some studies as to the involvement of the police and the benefit to Madison."

He added that since he wasn't "in

on the finer points" of the annexation of highway area property south of the city, he plans to visit the annexed area this weekend. "I need to talk to the police and the superintendent of streets. I don't know that we have the ability to serve that area."

ILLINOIS AMERICAN Water Company has requested an easement permit to extend a water main from Bend Road down Old Route 67 to Ohio Street by the Skelly Truck Plaza (also known as the Gateway Midstate Truck Plaza). An easement would allow the water line to cross the Cahokia drainage ditch.

Greathouse and board members Dave Bergfield and Hosea Slack had approved the annexation during a special meeting March 25. But since then, Greathouse has refused to grant an easement, saying that the board members had been rushed into the agreement and that the March 25 meeting may not have been of legal, since notice of the special meeting wasn't given 48 hours in advance.

Greathouse also cites the fact that the newly annexed area, which lies in St. Clair County, may divert more than \$40,000 in sales tax revenues from St. Clair County to Madison.

"I'D NEVER shaft St. Clair County," he told the Press-Record. "This place (MESD) will cease to operate, it will cease to exist, if that happens. I'm not giving anybody permission to take money from anybody."

The Madison City Council last month gave Gordon permission to

Armed man takes wallet, hits victim

Bernard C. Hogan, 221 Kerr St., Venice, was injured Saturday when an armed man entered his stopped vehicle and robbed him of his wallet. Hogan, who was treated at St. Elizabeth Medical Center, told police he was stopped at the signal lights in a southbound lane of Ed-

wardsville Road at 20th Street when a man carrying a long-barreled handgun entered his auto. The man demanded Hogan's wallet and all of the money in his pocket.

Although Hogan complied, the man hit Hogan in the face with the gun before leaving the auto and fleeing.

The man was about 19 years old, medium or husky built, short dark hair combed straight back, and was wearing a brown tank top and brown pants.

DUI CHARGE IN PONTOON
 Rickie Jennings, 38, of 2228 Grand Ave. was charged with driving under the influence of alcohol after he was halted by Pontoon Beach police May 4 near Breckenridge Lane and Lake Drive. He was released on \$102 bail.

GC man featured on cover of national magazine

John W. Apperson, a sergeant with the Granite City Police Department, has been honored for another type of duty he performs.

Apperson was featured as the "Magician of the Month" in the April edition of MUM Magazine, the official publication of the Society of American Magicians. A picture of Apperson performing a rabbit trick is featured on the front cover.

Apperson, who was born on Friday the 13th, was introduced to the world of magic in the mid-1960s while working for Dow Chemical Co. in Madison. A fellow worker was performing some feats of magic and Apperson became interested.

After work that day, Apperson went to a magic shop and bought some small tricks.

He continued to go to the magic shop regularly and soon was invited to join Assembly 8 of the Society of

American Magicians and IBM Ring 1.

As Apperson built up his act, he added his wife, Virginia, as his assistant. They perform magic throughout the St. Louis metropolitan area.

The cover picture of Apperson producing a rabbit is being described as particularly appropriate because he always opens his act with that trick. He has been known to use as many as five rabbits at a time in his tricks.

Apperson joined the Granite City Police Department in 1973 and still performs magic shows for both children and adult audiences.

He has become actively involved with Assembly 8, serving as president of the group in 1972, '73, '79 and '80, and has received numerous service awards from the group.

Apperson and his wife have two sons, Gary and David.

MAGICIAN OF THE MONTH. John Apperson, a Granite City policeman, was featured on the cover of a national magazine for magicians. Apperson is shown producing a rabbit, a trick he uses to open all of his shows.

Six suspended after disabled patient dies

Michael A. Belletire, director of the Department of Mental Health and Developmental Disabilities, has suspended six employees of the Howe Developmental Center (HDC) in Tinley Park pending further investigation, in response to charges of neglect in the late-April death of a 25-year-old developmentally disabled male resident of HDC.

Actions of four additional employees are part of the same investigation being conducted by the Tinley Park police department in cooperation with the state inspector general and state police.

Belletire said, "I will not tolerate either neglect or abuse in state facilities. Department officials will meet with the Cook County state's attorney's office to help assure that any appropriate criminal charges are filed against these employees."

Belletire in the next few days will propose a package of initiatives to combat resident abuse and neglect. It will include recommendations for external review of department operations, modifications in the hiring of facility staff, enhanced staff training and selective staff adjustments.

There are 8,400 residents of state mental and developmental facilities.

Nameoki School reunion June 9

A Nameoki Grade School reunion will be held Sunday, June 9, in the 300 Room of Granite City Bowl. It will start at 10 a.m. and last through the day.

Anyone who attended Nameoki Grade School is invited. Teachers are also welcome. A fee of \$1 per person is to be paid on arrival.

There will be a potluck dinner starting between 1 and 2 p.m.; those wishing to participate are to bring covered dishes, eating utensils and something to drink.

This reunion is being sponsored by the Nameoki Grade School Class of 1950 but is open to all classes. Anyone having questions may call 931-7553 for more information.

Vadalabene backs community right to know waste hazards

Three bills which would require the Illinois Environmental Protection Agency to maintain files disclosing priority chemical substances information, thus establishing the Community Right to Know Act, were passed by the Illinois Senate Committee on Agriculture, Conservation and Energy. The bills are sponsored by Sen. Sam Vadalabene, Sen. Vince Demuzio and Sen. Patrick Welch.

Vadalabene, D-Edwardsville, who is sponsoring Senate Bill 1086, explained the legislation:

"SB 1086 would deal specifically with companies of 30 or more employees which are in the scrap

and waste business or chemical and petroleum business.

"It would require these companies to supply the EPA with information concerning 'carcinogen' as listed by the National Toxicology Program (22 chemicals) and hazardous waste (400 chemicals)."

"The company would be required to list what substances they use, produce and store; permitted emissions; types and quantities of storage, treatment and disposal; and permitted discharges."

"The public has been in the dark too long concerning chemical substances used by business and industry in the state. It is time that this information was brought to the front."

"We can only better protect communities and assure public safety through these measures. Information has never been hazardous to health, but ignorance is."

New leaders for retail merchants

Retailers across Illinois have new leadership. David F. Vite became president and B. Tucker Olson executive vice president of the Illinois Retail Merchants Association following the retirement of IRMA President Hugh E. Muncy. They were elected to their new posts at the 1985 annual meeting, held in April at Chicago.

Vite joined IRMA more than seven years ago as a field representative and served as manager of government affairs before becoming executive vice president in 1983. Olson, the association's vice president of law, began working with IRMA while a student at the Chicago Kent College of Law. He will continue his legal work in legislation while also handling broader assignments.

ROBBED OF KEYS, WALLET

AT HORSESHOE LAKE PARK
 Marion C. Harrison of State Park Place reported to Madison County deputies that a man took his keys and his wallet while he was at Horseshoe Lake State Park May 2. Harrison had parked his car near the marina and the robber followed him into a restroom and grabbed him, demanding his money.

A struggle ensued, in which the suspect tried to take Harrison's rings from his fingers. The offender did take Harrison's keys and obtained Harrison's wallet from the glove compartment of his car. Taken from the wallet was \$200, while \$5 and credit cards were left behind.

PRESCRIPTIONS ARE OUR MOST IMPORTANT BUSINESS

BAC makes offer
(Continued from Page 1)

respondents were in favor of the move, with 35.8 percent opposed.

There is even more widespread support for sale of the property to BAC for \$500,000. Such a sale received 70.8 percent support, with only 19.3 percent opposed.

"We were very happy with the survey," said Dr. Bruce Wissore, president of BAC. "I think it has been shown in the past Granite City is very much behind education. And these results certainly bear that out."

WISSORE WAS hopeful of coming to an agreement with the district Tuesday.

"I really don't know where we stand now," he said. "They (the board) really didn't give us any input about anything in our offer they couldn't agree on. But we've extended about as far as we can."

"I can understand the position they're in. We're like (Granite City School District) Unit 9. We don't have any money, either."

SUPERINTENDENT of Schools Frank-Kraus said the board will study the offer and said he hopes

something can be accomplished by the next board meeting May 21.

"I kind of got the feeling from the board they would get something done by the next meeting," he said. "But whether we will take any action at that time, I don't know."

Both Kraus and Wissore made it clear they believe a transfer of title of the property, 4950 Maryville Road, is what both parties want.

THEY'RE EITHER going to buy it or they will move out of there, Kraus said. "If they hold the title, they will get 75 cents on every dollar they need to make repairs out there from the state."

BAC would like to do \$6.5 million in repairs and renovation at the campus, including work on the roof, heating, ventilation and air conditioning of the big building.

"I don't think it would be appropriate for me to be either optimistic or pessimistic," Wissore said. "The goal of the whole plan is to help Granite City improve itself. I was hoping we could come to an agreement because we need to do those repairs."

WISSORE SAID if an agreement cannot be reached, BAC wouldn't hesitate to move to another site.

"If we can swing it economically somewhere else, we would do it," he said. "But we would prefer staying in Granite City. We're losing \$250,000 a year in Granite City, but I couldn't think of a better way to spend it."

Wissore said he thought a sale of the property to BAC would be beneficial to the school district and Granite City in general.

"THE \$6.5 MILLION in improvements would be a big boost to the whole area," he said.

"And since the money for building that school building didn't come out of the district's operating fund, but from bond money raised, if they sell the property for, say, a half a million dollars, that's a half a million dollars in profits for them. That will go into their operating fund."

The state provides revenue for renovating such facilities if owned by college districts but not those owned by public school districts, officials have explained.

Gordon makes request
(Continued from Page 1)

"take any legal action necessary to obtain said easement" for Illinois American Water Co. In addition, the council authorized Gordon to seek records and documents from the sanitary district.

The information requested from

MESD includes all records relating to the annexation of property; all records regarding Greathouse's appointment to the MESD board and his salary, benefits and reimbursements; all documents of deposits in excess of \$5,000 on behalf

of the sanitary district; all records of outstanding debts since Jan. 1, 1981; all documents dealing with easement, license and permit requests; all records involving the St. Louis International Raceway and Stages since Jan. 1, 1980, and all documents relating to the City of Madison in St. Clair County and involving St. Clair County officials and the MESD.

SO FAR, Greathouse said, he has given Gordon copies of the minutes of MESD meetings in March, the MESD budget and budget ordinance, and a copy of an easement agreement with Illinois Bell Telephone.

The annexations were approved in the closing months of a Madison city administration that was largely replaced by new officials and appointees Tuesday night.

Advantages cited included the prospect of added tax income and potential economic and employment growth. Possible problems mentioned included the task of extending a variety of municipal services to an area distant from the main area of the city.

Army Relief drive will include golf, Vegas night

The Army Emergency Relief (AER) office, located at the St. Louis Area Support Center (formerly Granite City Army Depot), is holding its annual fund campaign.

AER is a private, non-profit organization that enables Army people to help other Army people, both on active duty and retired, in times of financial hardship. It relies solely on contributions to fulfill its mission.

The public is being invited to the St. Louis Area Support Center to participate in all of the planned events.

On May 18, AER will sponsor its third annual golf tournament and its second annual 8-kilometer Run for Relief.

UFO sightings to be discussed

The May dinner meeting of the Quad-County Mutual UFO Network (MUFON) is set for 6:30 p.m. May 14 at Rascals on Route 157. It will offer a lecture by Dr. Harley Rutledge, author of Project Identification: The First Scientific Field Study of UFO Phenomena and head of the Southeast Missouri State University physics department.

"Project Identification" was formed in 1973 to scientifically research unidentified flying objects reported near Piedmont, Mo. There are eyewitness accounts of UFO sightings by himself and members of his crew, which was made up of 40 scientists, engineers, students and lay persons.

The members reported 157 sightings of 178 UFOs. Several sightings involved more than one UFO at a time and many centered around Southeast Missouri. Of the 157 sightings, 34 were designated as Class A (defined as incredible from a technological standpoint). A huge craft that flew silently overhead at 1,500 feet and a light that shot from horizon to horizon in an instant are examples of the Class A sightings to be discussed.

PROBATION ALLEGATION

Madison County deputies served a Venice warrant May 6 on Kenneth Boyd, 1040 Douglas Ave., Venice, alleging violation of probation. He was transported to the county jail.

On May 19, a new event, a motorcycle poker run, will be held. There will be prizes and trophies awarded at each event, and refreshments will be available.

To end this year's campaign, a Las Vegas casino night with a roaring '80s theme will be held at the St. Louis Area Support Center Community Club May 25 from 6 p.m. to 1 a.m. The ticket cost of \$10 per person includes an all-you-can-eat Italian buffet and \$7.50 in fun money.

To cap off the evening, an auction will be conducted at 11:15, with participants bidding on a multitude of prizes donated by local merchants, according to Debby Kelley, 452-4240, and Kathy Serrano, 452-4247.

All the admission fees are tax deductible.

Court stand has chilling effect

It's getting chilly in Illinois—at least for the press. The right to write an opinion is not only in question; quite unbelievably, it's being lost.

The implications of what happened last week in the libel suit involving St. Clair County Board Chairman Jerry Costello are impossible to measure, except to note it's a message to the still free press. Those who express opinions about politicians must be a little cool in the feet right now.

Former Belleville News-Democrat editorial writer Richard Hargraves and the paper's parent company, Capital Cities Communications Inc., sought to appeal the decision of St. Clair County Associate Judge Roger M. Scrivner. The judge had ordered Costello be paid \$1.05 million for an editorial Hargraves wrote while working for the paper. The appeal, to the Illinois Supreme Court, would have bypassed normal judicial channels since the appellate court had already ruled on the constitutionality of the case.

The high court gave no reason for denying the request.

The denial means more than the case will now have to go to Mount Vernon to be heard by the Fifth District Appellate Court, and it means more than Hargraves and Capital Cities paying costly attorney's fees.

It means the press must hold its breath—perhaps for several years, waiting to see if it can continue to comment on the actions of elected officials.

"An opinion was published and it is constitutionally protected," asserted Dick Erdmann, Hargraves' attorney, last week.

Hargraves asked last week, rhetorically, if the press can continue to express opinions.

Obviously, the press will continue to issue opinions, at least as long as Hargraves and Capital Cities contest Scrivner's decision and as long as the law of the land since John Peter Zenger's trial in 1735 is maintained.

Opening the trial in defense of that Colonial printer, who had written an article complaining about a British governor, was Andrew Hamilton, who said, "I cannot think it proper to deny the Publication of a Complaint which I think is the right of every free born Subject to make."

Though Hargraves' editorial was certainly strongly worded and its truth doubted by the court, Hargraves' right to express an opinion he believes to be true is a central issue in the case.

If Hargraves' right to express an opinion is not protected, as the court decision reflects, not only those who write editorials but everyone who expresses an opinion about any politician had better get out an overcoat, because it's sure getting chilly in Illinois.

Legal battle at county border

The Metro East Sanitary District is trying to block water service—and possibly annexation—for business properties whose owners wish to join the City of Madison. The district has gone to court and also is withholding access for utility lines and boundary contiguous.

We are not yet sure whether the recent southerly annexation pattern is a wise or unwise step for the city, which hopes to offset added municipal service costs with expanded tax revenue (real estate, sales and gasoline taxes). But we wonder if the sanitary district board is fighting it for the wrong reason.

MESD has said its objection is based primarily on a desire not to deprive St. Clair County of tax income. While it is true that Madison is in Madison County, the shift in taxation would be to the city, not to Madison County. It is not actually a county-city issue.

Incorporation of a city along Route 203 near the Gateway Truck Plaza also would deprive St. Clair County, by diverting taxes from the county to a new St. Clair city. This is not what is being proposed; but if it were, would MESD also feel called upon to "run interference" for St. Clair County?

The idea of such friendly protection for one's brothers across the county border is somewhat ironic. Dating back to 1907, MESD's patronage

riddled predecessor for many decades slaked its monetary thirst with big bucks from Quad-City area taxpayers while doing most of its hiring and spending in St. Clair County.

The current dispute is complicated and getting more complex all the time. The outgoing action of the mayor on his final day in office Tuesday called on MESD for a myriad of documents in an apparent effort to pressure the district into giving up its negative stand.

Whether the new mayor of Madison wants to pursue the annexation program is unknown. He perhaps is wary of the budgetary impact of water line construction and enlarged police and street services. He seems to have been left out of much of the annexation planning but began looking into it after being sworn in Tuesday night.

The whole subject will be interesting to follow in the coming weeks.

Perhaps even there will be an answer to an intriguing question: If MESD's initial annexation approval was given at a meeting lacking the required 48-hour notice to commissioners, why was that notice omitted? "Packing bodies' usual practice is to obtain a waiver from all board members if there is an urgent reason to meet quickly.

JIM EDGAR
Secretary of State

Trying to beat trains kills many drivers

To the Editor:

An alarming 70 percent of all railroad grade crossing accidents occur at locations protected by automatic warning devices, such as lights or gates.

These accidents are caused primarily by motorists who have been drinking, are not paying attention to their driving, or try to beat a train to the crossing.

Last year, 46 persons were killed in 363 accidents at railroad grade crossings throughout Illinois. The

following safety tips are being provided in conjunction with Railroad Grade Crossing Safety Week:

1. Expect a train on any track at any time. Do not cross the tracks until you are sure no train is coming.

2. Never get trapped on a crossing. When following other cars, be sure there is room for your car on the other side of the tracks before entering the crossing.

3. Never shift gears on the crossing. Your vehicle could stall on the tracks.

4. Never drive through, around, or under gates.

5. Watch for a possible second train, and never cross behind a train until you are sure there is only one train.

6. Never race a train. A 100-car freight train moving at 60 mph may take as much as one and one-half miles to stop after the engineer has applied the train's emergency brakes. If the race ends in a tie, you will lose.

7. Never shift gears on the crossing. Your vehicle could stall on the tracks.

Wells needed to ease water table problem

To the Editor:

It's hard to understand why our city officials are trying to obtain funds from the EPA, the state and others to solve our sewer problems while ignoring the real cause of the problem—the high water table in the area.

We know it's this pressure that is breaking our sewers, plunging our homes and reducing our property values.

To quote Rep. Sam Wolf in a recent statement to the local paper, "We've already expended some \$2

million in sewer repairs alone, but due to the high water table this is a continuing dilemma for us."

It has been established by the Corps of Engineers in its recent study (done in 1975 and 1976) that the water table by reducing the water table by a foot in a 2-3 day test.

But the Engineers' budget keeps them from attacking the problem for years. In the meantime, our sewers are breaking and our basements are leaking.

This is costing residents untold

dollars while they are attempting to sell their homes and leave the area, only to find a loss in their property values.

Let's get our officials on the right track. Let's install wells to funnel the water where it belongs.

It's the result of a sophisticated study.

Let's solve the real problem that affects the residents and the future of our city. Let's not support officials in disregarding the study.

WATERMAN RESIDENT

Gordon is urging cooperation with Bellcoff

To the Editor:

It has been a privilege and an honor to have served as alderman for the past 8 years and interim mayor of Madison for the past 3½ months. I have profound gratitude to the city administration, the department heads and employees for their support and cooperation these past years.

It has been a most enjoyable and rewarding experience. I feel the administration has taken a positive approach, with actions that have provided for the city's present needs as well as looking to the future.

In my opinion, our department heads have always acted in the best interest of the city. The chief of Police, Don Nyghobossian, worked an outstanding job and Fire Chief Mike Macek has done more for the city of Madison than anyone will ever know, not only as fire chief and alarm director, but in many other areas.

He, along with City Attorney Charles J. Nyghobossian, worked tirelessly on the annexation project and in securing community development funds and other benefits for Madison. I wish them

the best of everything in their future. Many organizations and all my friends and relatives worked unselfishly during my election campaign. They gave generously of their time, talents and financial support without asking anything in return. Their generosity and friendship will not be forgotten.

My best wishes to John Bellcoff and the city administration in their endeavors during the next four years. They will need the help and cooperation of the entire community.

Liquor licenses

Visitors to Crossroads Plaza Shopping Center, Wednesday were asked if the five businesses which have requested liquor licenses—Schnucks, National, Kroger and Shop 'N Save supermarkets and Walgreen's—should be granted the licenses by the city. Their comments follow.

Winnie Pointer, Granite City

"If they're going to buy liquor, they're going to buy it. They sell it at the stores everywhere else. Why inconvenience the people here? They sell potato chips and peanuts at the liquor stores, don't they? If they don't let the grocery stores have liquor, they should make the liquor stores take these kinds of things out."

Marilyn Byrd, Granite City

"I do. Why shouldn't they? Why should the liquor stores control the price of liquor? As long as they (the grocery stores) have a separate checkout lane for it, it's OK. If you drink, you're going to get it. No matter where you go in the country, you can find liquor in the grocery stores. This city is so far behind the times. It's like we have to catch up with everyone else."

Joseph Starzyk, Granite City

"They've got liquor at all of the other stores around here, like Columbia, Edwardsville and Fairview Heights. I think they (the grocery stores) should be able to sell it here."

Vernie VonNida

"I don't see why not. I think competition is good in everything, so they should give them (the licenses) to them."

Trade embargo mistake is being repeated

To the Editor:

The Reagan administration and key Congressional leaders were justifiably outraged when the government of Nicaragua recently flouted in public with the Soviet Union. But the American response was the same old weak, ineffective trade sanctions used too often in the past.

A decade of experience says the U.S. trade embargo of Nicaragua won't do what it's supposed to do + whatever that is.

Instead, the odds favor additional damage to the image of the U.S. in the international trading community. And that means damage to agriculture.

In a nutshell, the Nicaraguan embargo seems to have the major fatal flaw of similar failed trade actions taken by past administrations.

Like so many embargoes before it, the trade sanctions against Nicaragua are a unilateral action not supported by enough nations to be effective. In addition, the administration has outlined no clear goal for its trade sanctions and has not stated what the Nicaraguan government must do to have the sanctions lifted.

"Sound familiar?" It should. No president since Lyndon Johnson has been able to resist the temptation to restrict agricultural trade. And for the most part, each trade sanction

followed the sad, familiar pattern.

It's true that U.S. farm exports to Nicaragua are very small. As a result, U.S. farmers will not be hurt directly by the embargo.

So why make an issue of it? Because the action sends a negative message to the rest of the world. It tells our trading partners once again that the U.S. government will use trade as a diplomatic weapon.

It's a message that has tarnished the reputation of U.S. farmers and others who depend on exports. And it's a message that we just can't seem to quit repeating.

DENNIS VERCLER
Illinois Farm Bureau

Busy legislative activity includes schools

To the Editor:

Some might describe the past week in Springfield as "the week that was" or, perhaps, never should have been.

With over 1,000 bills yet to be heard in committee, the pace was frantic and, at times, chaotic. Nevertheless, as we adjourned on May 3, most of the issues critical to this session had been heard.

There were some light moments during the week. One representative successfully passed a bill in Executive Committee to create a new county—applied named Lincoln County.

There were fireworks also as representatives attempted to garner votes for their particular legislation. The House Committee on Education reported its "reform package" to the floor. This comprehensive package makes the following recommendations:

—Authorizes school districts to provide full-day kindergarten.

—Requires a phase-in of achievement tests for students in grades 3, 5 and 7 in specified subjects.

—Allows local school districts to establish optional education programs for dropouts.

—Allows the Department of Alcoholism and Substance Abuse to

provide school-based intervention programs.

—Requires the State Board of Education to provide summer school grants to enable gifted students or those in need of remedial education to attend summer programs; and

—Calls for a school aid formula which provides incentives for unit school districts.

In early floor action, the House passed a series of child protection bills aimed at providing a stronger standard and reporting system for children.

House Bills 51, 52 and 53 involve public schools in instructing children about child abduction, providing early notification of parents when children are absent from school, and providing criminal background checks on day care facility employees to identify histories of kidnapping, sex-related offenses or aggravated battery against children. These bills will now be heard in the Senate.

On May 2, Governor Thompson submitted the fiscal year 1986 program for highway construction and repair. The Department of Transportation would spend over \$800 million in road construction and maintenance in Illinois this year. In addition, the Department of

Transportation announced the 1986-1990 proposed highway improvement program.

Of interest to our area is the proposed construction of Interstate 255 from the Jefferson Barracks Bridge to Interstate 270 near Edwardsville.

The estimated cost of this program is \$77.6 million, with over \$25.8 million currently allocated for FY 1986. A major controversy brought to the General Assembly is the question of how this state handles medical malpractice. The two "sides" are represented by the Illinois Medical Society and the Illinois Trial Lawyers concerning laws which would govern malpractice cases in the state.

The speaker of the House has requested both sides to negotiate a fair and equitable compromise. Negotiations had gone well, but on Thursday and Friday both sides requested that bills be passed out of committee. I sincerely hope that the good faith negotiations on this important issue will continue.

The House will be considering many important issues over the next few weeks. I hope that many will take the opportunity to respond to questions on the issues and add thoughts of their own.

STATE REP. SAM WOLF

ST. JOHN LUTHERAN CONFIRMANDS. After weeks of religious training, young people attending the church became members of the congregation in a formal ceremony last week. Front row, from the left, Blake Scott Muskonis, the Rev. Samuel Boda, pastor, and Harold Brent Krohne. Back row, Lisa Marie Young, James Lewis Needham, Melinda Ann Henke, Sarah Angelina Chapman, Kenneth Owen Krause and Bryan C. Hoffman.

GC schools honored for unusually successful Chapter I instruction

Eight Illinois school districts have been recognized by the U.S. Department of Education for their "unusually successful" Chapter I programs. State Superintendent of Education Ted Sanders has announced. The eight include the Granite City school system.

The districts were among 118 designated nationally through the U.S. Secretary of Education's Initiative Program to Improve the Quality of Chapter I Projects. Chapter I of the Education Consolidation and Improvement Act of 1981 is a federally-funded program for projects designed to meet the needs of educationally disadvantaged students.

Projects newly recognized through the program are in Bloomington Community Unit School District 87, Chicago Public School District 299, Cobden Community Unit School District 17, DeKalb Community Unit School District 428, Granite City Community Unit School District 9 and Oak Lawn Community High School District 218.

In addition, previous USDE recognition of quality projects in Chicago District 299, East St. Louis Community Unit School District 189 and Peotone Community Unit School District 207U was renewed.

"The number of Illinois Chapter I projects designated 'unusually suc-

cessful' demonstrates the outstanding quality of compensatory education projects in Illinois," Sanders said. "It also demonstrates that local Chapter I programs are helping meet students' needs."

A total of 333 projects, from 48 states, the District of Columbia and Puerto Rico, were nominated for the award, designed to recognize quality projects at the local level and encourage other districts to emulate their practices.

The eight Illinois school districts were recognized for 11 unusually effective projects.

Granite City was singled out for its program on "Reading, Mathematics, Language Arts and Perception."

The school districts and project personnel were cited May 7 at a luncheon in New Orleans, in conjunction with the annual meeting of the International Reading Association. The meeting was co-hosted by the National Association of State Coordinators of Chapter I, ECIA.

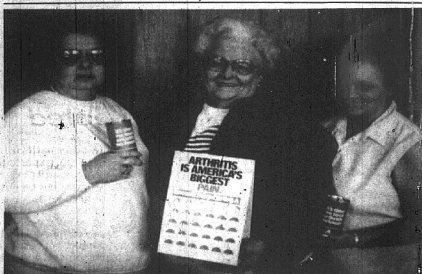

Hospitals honoring 145,000 nurses

Hospitals throughout Illinois are recognizing nursing's contribution to health and hospital care, marking

Davis funeral home to continue operation

The Davis Funeral Home, 21st Street and Cleveland Boulevard, will continue its operation following the death of Leonard Davis, according to his wife, Hilda Davis.

She said she will continue the business with the assistance of Loren and Carol Davis, a nephew and niece who have been associated with the company since 1952, and William Sternberg, who has worked as manager there since 1972.

ARTHRITIS FOUNDATION VOLUNTEERS. Area chairmen will coordinate the fund-raising drive in the Quad-City vicinity. They have distributed donation canisters in various stores and business places with the aid of Explorer Post 10-4. From the left are Sue Miller, Maxine Costoff and Doris Baker. Helen Hawkins, another volunteer, was not present for the photo.

Gospel singing at Bethesda Baptist

Bethesda Baptist Church, 3035 Nameoki Drive, will have gospel singing on Sunday, May 12, at 7:30 p.m. The group leading the singing is called "Hosanna" and is composed of 12 Christian men and women from St. Matthew United Methodist Church, Belleville.

The group was organized in September 1984. After the singing, refreshments and a time of fellowship will be enjoyed in the church hall.

The Rev. Luther Abbott, pastor, is inviting the public to attend.

Annual baseball parade Saturday

The Mitchell Athletic Club and Mitchell Fire Dept. will hold their annual parade this Saturday, May 11, at 1 p.m. The parade will start at the Mitchell School and end at the MAC athletic fields.

The American Legion Post 307 will be the color guard followed by Sen. Sam Vadaia's band (D-Edwardsville), Rep. Sam Wolf (D-Granite City), the Granite City High School Band, pom poms and the drill team, the Mitchell fire equipment and Shriners' Rolling Nobles.

The crowning of the queen and her attendants will follow the parade. This year's queen is LaVonne Bridick of 51 Lockhoven Drive and the daughter of Mr. and Mrs. Tom Bridick. Miss Bridick's attendants will be Barbara Cook and Julie Kern.

At 2 p.m. the Wood River Royals Ladies fast-pitch softball team will play an exhibition game against the coaches and managers of the MAC sponsored teams.

Births recorded at St. Elizabeth Medical Center include:

BOYS
Mr. and Mrs. Donald Randall, 2308 Terminal Ave., May 5, Frank Wade, 6 pounds, 12 ounces.
Mr. and Mrs. Darrell Williams, 2918 Morgan Ave., May 7, Sean Michael, 6 pounds, 5 ounces.

Granite City (Ill.) Press-Record, Thursday, May 9, 1985 - 5 Recycling firm is cited as nuisance

Seeing smoke allegedly coming from the Belson Recycling firm compound near the Broadway viaduct area, a Venice officer investigated and found a railroad tank car burning on the property at 3:20 p.m. Monday.

The interior of the tanker was burning, causing a large amount of smoke to be discharged through the top, it was alleged.

The officer took photographs of the tank car, which was off its rail undercarriage, and issued a public nuisance citation to the firm.

An Illinois Environmental Protection Agency representative also was notified. Shortly after the report was made, the officer said employees of the firm put dirt on the tank car.

Obituaries

Maggie Anderson

Mrs. Maggie Anderson, 78, of Northwoods Manor, Alton, formerly of the Madison and Venice area, died at Northwoods at 5:20 a.m. Tuesday, May 7, 1985.

She was born May 4, 1907, in McComb, Miss.

Mrs. Anderson formerly attended Mount Nebo Baptist Church, Madison.

Among the survivors are four grandchildren, nine great-grandchildren and three great-great-grandchildren.

Services at 1 p.m. Friday, May 10, at the Officer Funeral Home, 2114 Missouri Ave., East St. Louis, with the Rev. Robert Thomas officiating. Burial will be at Sunset Garden of Memory, Millstadt. Friends may call Thursday.

Arthur Clement

Arthur Clement, 58, a lifelong resident of Granite City, was pronounced dead at his home at 12:50 p.m. Tuesday, May 7, 1985, by Edward Morton, Madison County deputy coroner.

He was employed at Ken's Lounge in Granite City and was of the Catholic faith.

Survivors include two nephews, Matthew Clement of Fairport, N.Y., and Mark Clement of Waynesville, N.Y., and a niece, Mrs. Joseph (Phyllis) Weber of Enfield, Conn. Visitation will begin at 6 p.m. today at Davis Funeral Home, 21st Street and Cleveland Blvd., where 11 a.m. services will be conducted Friday, May 10. Cremation will follow at Memorial Park Crematory in St. Louis.

Walter Eberhardt

Walter Eberhardt, 80, of Creve Coeur, Mo., a former Granite City businessman, died at 6:35 p.m. Tuesday, May 7, 1985, at St. Mary's Health Center, Richmond Heights, Mo.

Mr. Eberhardt was born in Arenz, Ill. With his wife, Irene (Gorbe) Eberhardt, who survives, he owned and operated the Eberhardt Department Store on Johnson and Ponton roads from 1948 to 1960, when they moved to Missouri.

Mr. Eberhardt was a member of Concordia Lutheran Church in Kirkwood, Mo.

In addition to his wife, he is survived by one son, Gary Eberhardt of Creve Coeur, two sisters, Jo Schaefer, Springfield, Ill., and Amanda E. Peyer, Decatur, Ill., and one grandchild.

Visitation will be from 4 to 9 p.m. today at Pfizinger Funeral Home,

331 S. Kirkwood Road, Kirkwood. Funeral services will be conducted at 10 a.m. Friday, May 10, at Concordia Lutheran Church, Kirkwood, with burial in Calvary Cemetery, Edwardsville Township.

Louise Hendrick

Miss Louise Hendrick, 2040, Washington Ave., a retired assistant librarian at the Granite City Public Library, died at 3:25 a.m. today, May 9, 1985, at St. Elizabeth Medical Center.

She was ill for nine years and hospitalized 10 days. Born in Naylor, Mo., she was a lifelong resident of this area.

Miss Hendrick worked at the library for 22 years before retiring. She was of the Protestant faith and was a member of Gabriel Shrine 78, Order of the White Shrine of Jerusalem, and Granite Chapter 650, Order of the Eastern Star.

Survivors include one sister, Mrs. Hugh (Mildred) Wallace, Granite City, and nieces and nephews. Visitation will begin at 4 p.m. Friday at Mercer Mortuary, 1416 N. Dearborn Ave., where the Rev. Samuel Rosta will conduct 1 p.m. services Saturday, May 11. Burial will be in Sunset Hill Cemetery, Edwardsville Township.

Marie Koertel

Mrs. Marie (Pensoneau) Koertel, 79, of 1643 Delmar Ave., ill for two months, died at 4:35 a.m. Wednesday, May 8, 1985, at St. Elizabeth Medical Center. She was hospitalized for four weeks.

Born in Belleville, she lived in St. Louis for several years moving to this area in 1965.

Mrs. Koertel worked in the dress department of the Famous-Barr downtown store in St. Louis for many years prior to retiring.

A member of St. Joseph Catholic Church, she was preceded in death by her brother, Ray Pensoneau, in 1971.

Her only survivor is a grandson, Mr. Matt Ebling of Granite City. Visitation will be from 7 to 9 p.m. tonight at Irwin Chapel for Funerals, 2801 Madison Ave., where the Rev. Gary Perret will conduct 9 a.m. services Friday, May 10. Burial will be at St. John Cemetery, 2901 Namook Road.

Harold Quinn

Funeral services were conducted April 24 at Alter's Decatur Chapel, Decatur, Ill., for Harold A. Quinn, 72, of 2276 E. Wood St., Decatur, formerly of Granite City.

He died at 5:01 p.m. Sunday, April 21, 1985, at his home. He was

employed as parts manager for the B.E. Hohl Ford Motor Co., Granite City, before he retired about six years ago.

He and his wife, the former Belma Newcomer, who survives, were married in 1934.

Other survivors include a son, Gordon of Fort Ord, Calif., a sister, Helen Ross of Auburndale, Fla., and two grandchildren.

Burial was in Adams Cemetery, Moweaqua, Ill., near Decatur.

Charles Ragsdale

Charles E. Ragsdale, 67, of 309 Weaver St., Venice, was pronounced dead at 5 a.m. Wednesday, May 8, 1985, at his home by Madison County Deputy Coroner Edward Werner.

Mr. Ragsdale had been under the care of a physician. He was found lying on the floor without signs of life by his wife, who summoned Venice officers at 4:30 a.m. Wednesday.

Among the survivors is his wife, Mrs. Edna Ragsdale.

Officer Funeral Home, 2114 Missouri Ave., East St. Louis, 874-4244, will arrange funeral details.

Flora Snipes

Mrs. Flora B. "Toots" (Delaney) Snipes, 70, of Decatur, formerly of Granite City, died at her home at 5:30 a.m. today, May 9, 1985. She was ill for five months.

Mrs. Snipes was born in Granite City and lived here until moving to Decatur 35 years ago. She worked as a secretary at a school of nursing in Decatur for more than 30 years, retiring in 1962.

Mrs. Snipes was of the Methodist faith. She and her husband, Worthen J. Snipes, who survives, were married in 1934 in Granite City.

Other survivors include one brother, Julian Delaney, Vista, Calif., two sisters, Mrs. Bertha Sundry, Springfield, Mo., and Mrs. Jim (Rosalee) Matthews, Pacific, Mo., and nieces and nephews.

Funeral arrangements are pending at Mercer Mortuary, 1416 N. Dearborn Ave., Granite City (the telephone number is 876-4321).

John Uhercik

John Uhercik, 55, of 1625 Sixth St., Madison, Ill. since 1982, was pronounced dead at his home at 7:35 p.m. Sunday, May 5, 1985, by Randall Irwin, Madison County deputy coroner.

Born in Czechoslovakia April 21, 1930, Mr. Uhercik moved to the Quad-City area in 1951.

He was self-employed at a meat market in Madison for 50 years prior to his retirement.

Mr. Uhercik was a member of St. John Lutheran Church and Slovic Evangelical Union Assembly 175.

Survivors include his wife, Mrs. Eva Hrusko Uhercik; one son, Edward Uhercik, Granite City; two stepsons, John and James Kase, both of San Bernardino, Calif.; four grandchildren and four great-grandchildren.

Visitation was at Irwin Chapel for Funerals, 2801 Madison Ave. The Rev. Samuel Boda officiated at 1 p.m. services Wednesday, May 8, at St. John Lutheran Church, Granite City, with burial at Sunset Hill Cemetery, Edwardsville Township.

JACK MCKINNEY, 49, of 820 Iowa St., Madison, who died May 4 at St. Elizabeth Medical Center.

Mrs. Edna Neutzling, 67, Highland, dies Wednesday

Mrs. Edna E. Neutzling, 67, of Highland, a former employee of the Kroger Store in Granite City, died at 1:40 p.m. Wednesday, May 8, 1985, at St. Elizabeth's Hospital in Belleville. She was a lifelong resident of Highland and worked at the local store for many years prior to retiring in 1980.

Survivors include one brother, James Fischer, Collinsville, and two sisters, Mrs. Florence Zobrist, Highland, and Mrs. John (Rosie) Sharp of Troy, Ill.

Visitation will begin at 4 p.m. Friday at Meridith Funeral home, 920 Ninth St., Highland, where the Rev. Jay Warren will conduct 1:30 p.m. services Saturday, May 11. Burial will be at Highland City Cemetery.

Cited on weapon, cannabis charges

Seeing an auto sought by another department turn off Bissell Street, Venice, onto a southbound lane of Illinois Route 3 last week, a Venice police officer halted a driver at Route 3 and Broadway.

Robert E. Gardner, 27, Belleville, was arrested when a foreign-made automatic pistol allegedly was found on the floorboard under the front seat. He was charged with unlawful use of a weapon.

He also was charged with possession of cannabis after an envelope containing a green leafy substance allegedly was found in Gardner's pants pocket. Gardner was released after posting \$200 bail, pending a court appearance.

Wants Scott renamed

Cong. Kenneth Gray (Ill. 22nd Dist.) is preparing to introduce legislation to rename Scott Air Force Base, Belleville, for 21-term Cong. Melvin Price (Ill. 21st Dist.).

Price, 80, is credited with strengthening the big air base during his 10 years as chairman of the House Armed Services Committee.

BUCKMAN AGE CORRECTION

Robert L. Buckman of Madison was 58 years old, instead of 60 as was previously reported. He died at 5:10 a.m. Sunday, May 5, 1985. He was a member of Knights of Columbus Council 4476 in Dubois instead of Dupu. Funeral services were held Tuesday, May 7, at St. Mary's Catholic Church, Madison, and burial was in St. Charles Cemetery, Dubois.

Simon for safer amusement rides

Safety supervision of the nation's amusement parks is overdue for a tune-up, according to U.S. Senator Paul Simon, who presented testimony this month on his bill to encourage states to inspect amusement park rides and to allow inspections by the U.S. Consumer Project Safety Commission (CPSC) when necessary.

Simon's Amusement Park Safety Act was approved last year by the house of Representatives and has been reintroduced this year in both bodies.

The Illinois lawmaker began working on the proposal after a series of accidents last year brought to light that "the safety assurance fabric for amusement parks is incomplete."

"Since 1981, when the amusement park industry won an exemption from itself from federal safety oversight, no federal or state agency has been overseeing ride safety in a majority of the states."

"The present setup is an open invitation to accidents that are then followed by a tangle of finger-pointing," he said.

The bill would permit federal safety engineers to investigate serious accidents on amusement park rides, require park operators to send notice when serious defects are found in ride equipment, empower the CPSC to order repairs on rides found to be defective, and authorize U.S. inspections of amusement park rides in states or localities that do not have inspection efforts of their own.

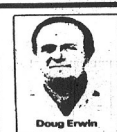

Simon said the bill represents only a narrow extension of authority to the Consumer Product Safety Commission, noting that it exempts from regular CPSC inspections amusement parks in states or localities that have their own programs.

TWO WOMEN ARE INJURED IN VENICE AUTO CRASH

Two women sustained injuries in an accident May 4 on Bissell Street near Mercedosa Street, Venice. Both were taken by ambulance to St. Elizabeth Medical Center.

Carolyn S. Williams, 38, of 1109 Bissell St. was in a parked auto when the vehicle was struck from the rear by a car operated by Dorothy L. Prothro, 54, of 1214 Calhoun St., Venice, authorities were told. The Prothro auto then went off the road into a grassy area.

CAMPAIGN CHAIRMAN. Ben W. Johannpeter Jr. will be the chairman of this year's Tri-Cities Area United Way fund-raising drive.

Johannpeter leads 1985 united drive

The Tri-Cities Area United Way says Ben W. Johannpeter Jr. has been named general chairman of its 1985 fund drive.

The announcement was made by Robert Gilk, president of the United Way, at a planning meeting of various United Way agencies held at the YMCA.

The Tri-Cities Area United Way includes 15 agencies which will receive in excess of \$500,000 in funds this year from the fall 1984 campaign.

Johannpeter, a Granite City native, is director of employee involvement at Granite City Steel. He graduated in 1967 from Granite City High School and received his bachelor of science degree in business from Southern Illinois University at Edwardsville in 1974.

Johannpeter is married to the former Jenna Schwendeman of Granite City. They have a daughter, Julie, 17, and a son, Jim, 14.

He started at Granite City Steel following his graduation from high school, and held a series of increasingly responsible positions in manufacturing and finance.

He was named to head Granite City Steel's cost management program, with responsibility for monitoring the division's extensive cost reduction efforts, before being

appointed to his present position in April of this year.

He is active in several civic organizations, serving as a member of the board of directors of the Leadership Council of Southwestern Illinois and the legislative committees of the Leadership Council and the Tri-Cities Area Chamber of Commerce.

Johannpeter also serves as a board member of the United Way. He was a Steel Fellow of the American Iron and Steel Institute (AISI) in 1979, and 1980 he was the recipient of the Outstanding Service Award of the AISI Steel Fellow program.

Gilk said the goal for this year's campaign will be announced in the near future after the allocations committee studies the needs and requests of the various agencies which receive support from the United Way.

Johannpeter commented, "Last year's campaign was a watershed effort for this area."

"The excellent organization and leadership offered by so many individuals present a hard act to follow. But I am confident that the people of the Tri-Cities share a commitment to the continued resurgence that we are enjoying."

"Because of that, I am equally confident that we will have a successful campaign which will be yet another indication of the ability of the men and women of this area to come together to support their community."

Weather has effect on Norfolk earnings

Norfolk Southern Corp. has reported net income of \$99 million or \$1.59 per common share for the first quarter of 1985, 3.3 percent lower than the \$103 million or \$1.64 per share earned in the first quarter of the previous year. Operating revenues of \$862 million were 2.5 percent lower than the \$884 million in January-March 1984.

Severe weather caused the decline in revenue but the railroad maintained tight control of expenses, Chairman Robert B. Clayton said.

Statue of Cong. Price proposed

A campaign is being started to create a statue of Congressman Melvin Price, 80, now in his 41st year in Congress.

Charles "Chuck" Oelrich of Citizens to Recognize Cong. Price said, "Price has served people of all faiths and races, regardless of their political affiliation or economic status. In recognition of his loyalty and service, many civic leaders of the 21st Congressional District feel it would be appropriate to erect a monument to him."

1. "Place a bronze statue of Cong. Price in the lobby of the St. Clair County Building.

2. "Host a public ceremony to honor him on June 15.

3. "Publish a commemorative book.

4. "Establish a Melvin Price

Scholarship Fund.

The committee includes U.S. Sen. Alan Dixon, U.S. Sen. Paul Simon, State Sen. Sam Vadalabene, Buddy Davis, Ernest A. Karandjeff, Nelson Hagnauer, Steve Saltich and Wilbur Trimpe.

THE LAW AND YOU

BY RICK REED
Attorney At Law

Recently a case was decided in Illinois wherein personal injuries were suffered by the Plaintiff in an automobile accident. The facts indicated that the Plaintiff, Ms. Bouli, was stopped at an intersection with several cars ahead of her. The Defendant, Officer Smith, was a Sheriff's Deputy in Peoria County and was driving a squad car when he rear-ended the Plaintiff. An analysis of how this accident took place will help reveal general rules of liability with regard to traffic accidents.

Smith, while on patrol duty, received a dispatch to go to an accident scene. He activated his lights and siren on his squad car and headed Westbound in the same lane of traffic as the Plaintiff. When he observed Bouli's vehicle and other cars stopped at the stop sign, he attempted to go around them by passing in the Eastbound lane. When he saw a vehicle approaching him in the Eastbound lane, he then braked and skidded into the rear end of the Plaintiff's truck. At the time of the accident it was sleeting and snowing.

The patrolman argued that Illinois law grants certain exemptions from traffic laws to operators of authorized emergency vehicles

when responding to an emergency call. Officer Smith felt that he was not negligent in attempting to pass in the emergency vehicles. He further noted that he was not the real cause of the accident but rather, it was the weather conditions in combination with the oncoming vehicle which failed to make way for his squad car.

The Plaintiff noted that the special laws as to emergency vehicles authorize these drivers to violate rules of the road only when such violations do not endanger other persons. Ms. Bouli argued that the patrolman was negligent in that his speed was too fast for existing conditions and that he failed to keep a proper lookout.

The Court in this case decided in favor of the Plaintiff. They noted that it was entirely foreseeable that a vehicle would be coming toward the patrolman when he was driving on the wrong side of the road. The Court felt that neither the presence of the unknown motorist, nor the existing weather, and road conditions, nor the emergency to which the officer was responding provided an adequate explanation for his failure to maintain control of his squad car.

Cousteau Mississippi TV show syndicated

"Cousteau-Mississippi," which contains local scenes, is within ninety minutes of a point of breaking Turner Program Services' syndication clearance record while "Jacques Cousteau: The First 75 Years" is already approaching penetration of 75 million television households, according to TPS Board Chairman Henry Gillespie.

Both specials are two hours in length, with syndication windows of May 1 to June 31 and June 23 to July 23, respectively.

Jacques Cousteau's first exploration of a U.S. mainland ecosystem, the Mississippi River, has been cleared in 91.1 percent of the nation. This mark is just shy of the broadcast television penetration percentage set in December 1982 with the NCAA "game of the decade" basketball showdown between the University of Virginia and Georgetown University, with 92 percent of the U.S. receiving the telecast.

The multiple award-winning "Cousteau-Amazon" series, which debuted in March 1984, cleared 88.6 percent of the U.S. with 114 stations. Cousteau-Mississippi has been cleared by 106 stations, including 42 network affiliates.

Jacques Cousteau: The First 75 Years, which seeks to capture the life and essence of the world's greatest explorer on his 75th birthday, has cleared 86 percent of the U.S. with several weeks still to go before its June 23 premiere. 92 stations currently have signed to air the special including 33 network affiliates.

Gateway Arch's visitor center will be dedicated

In public ceremonies May 11 at 2 p.m., the Jefferson National Expansion Memorial + Gateway Arch Visitor Center will be dedicated to George B. Hartzog Jr., Visitor Center.

Participating will be: William Penn Mott Jr., director-designee of the National Park Service; Charles H. Odegaard, NPS Midwest regional director; John H. Poelker, past president of Jefferson National Expansion Memorial Association; former Congresswoman Leonor K. Sullivan; and Jerry L. Schober, superintendent of the Jefferson National Expansion Memorial.

Friends and associates will gather that evening for a private dinner and tribute to Hartzog.

Hartzog, who will attend the dedication, was superintendent of Jefferson National Expansion Memorial during the early stages of design and construction of the Arch and Visitor Center. He was instrumental in putting together the combination of federal, state, city governmental, and public and

private initiative that led to construction of the Arch.

He went on to be executive director of Downtown St. Louis Inc. (July 1962 to February 1963) and director of the National Park Service until his retirement in 1972.

During his nine years as NPS director, Hartzog acquired 78 new areas, totaling 2,694,000 acres, for the National Park Service.

Mott was Governor Ronald Reagan's director of the California State Department of Parks and Recreation from 1967 to 1975. During that period, the state park system nearly doubled in size, and its ventures into natural and historic preservation made California a national leader in the field.

Mott is general manager of the East Bay Zoological Society, which oversees the Oakland Zoo and the surrounding Knowland Park in Oakland, Calif. He also serves as president of the California State Park Foundation, a non-profit group he founded in 1975 to acquire and develop parklands.

GC summer classes set for junior high students

Granite City School District 9 will offer summer school courses in mathematics, language arts, and social studies for all students who will be in the seventh or eighth grades.

These classes will be offered for strengthening, reinforcement and relearning, and will be held at Coolidge Junior High School.

School will start June 11 and end July 24, with sessions on 5 a.m. to 8 a.m., from 8 a.m. to 10 a.m., and from 10 a.m. to 12 noon. There will be a tuition charge of \$10 for each two-hour period per student.

In order to schedule summer school interested parties are to pick up an application at the Crisley Junior High or Coolidge as soon as possible. Any questions regarding the summer school are being directed to Principal Mike Sikora at Coolidge, 877-1512.

Home service contract by Realty World-Star

Realty World-Star Inc. has announced the availability of the RealSafe Home Protection Plan for all homes listed or sold through the firm. RealSafe is the exclusive Realty World home service contract that provides a homeowner with one year of protection on major appliances like heating, air conditioning and plumbing.

John Blasingame, broker and co-owner of Realty World-Star, said, "If any RealSafe covered system or appliance malfunctions, the home buyer calls a toll-free telephone number and the problem is corrected, usually within 48 hours."

A seller who lists his house for sale with Realty World-Star can also receive RealSafe coverage. The seller agrees to purchase the home protection plan and then pays for it at closing.

WOMAN ALLEGES BATTERY

Steve Pickett, 22, of 1872 Poplar St., was arrested May 4 for battery after he allegedly hit Patricia Berkley on a knee with a steak knife. The two were arguing while Pickett was making a sandwich, and he allegedly became angry while spreading mustard on the sandwich and threw the knife at her. He was released on \$52 cash bail.

PROWLING IS CHARGED

Michael H. Mueller, 37, of 2716 Nameoki Road was arrested May 4 for prowling, after allegedly hiding behind a tree at 25th and Iowa streets.

Ephesians 1:3... "Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings..."

The Apostle Paul is saying that God has already blessed us. Past tense. And that he has blessed us with all spiritual blessings. Everything we could possibly hope for has already been given to us!

A good way to start changing our attitude is to start praising God for what he has done. Delight yourself in the Lord and he will give you the desire of your heart.

State monitoring gangs in prisons

In 1981, the Illinois Department of Corrections (IDOC) requested each state prison to identify all known gang members. The entire list numbered only 60 persons.

Today, each major institution in the state has "one or two large books full" of names, said Spada, operations assistant for IDOC's adult division.

That doesn't mean there are more gang members today, only that law enforcement officials are getting better at identifying them, Spada said.

Spada spoke at a "Gang Awareness" seminar during Southern Illinois University at Carbondale's just-concluded Human Resources '85 conference.

The attitude toward gangs years ago, both in cities and prisons, was if they weren't recognized, there wouldn't be a problem, he said. While gangs have likely increased in numbers over the years, their profile today is higher than ever because of media attention, he added.

The Chicago Gangs Crime Unit estimates there are 40,000 gang members in Chicago alone, Spada said. "And as long as there are gangs on the streets, they'll keep coming into our system."

Numbers of gang members may be deceiving, he said, "because numbers are not indicative of strength or power."

But IDOC's goal is to keep track of gang activists. When a new prisoner comes into an Illinois prison, such information as his gang affiliation and position in the gang goes on file. Then IDOC keeps track of the prisoner wherever he goes in the penal system.

Most of the data collected "will

never be used for disciplinary purposes," Spada said. "It's not against the law to belong to a gang." More likely, it would be used in such cases as preventing a transfer of a certain gang leader or member to an institution where there are a number of the same gang members.

Of imprisoned gang members, only about 15 percent are "hard-core members," Spada said. "The rest are affiliated or associated," or expected to assist in exchange for favors from gang members.

Keeping track of the trappings of gang membership is no easy job, but it is one of the surest ways to identify members, Spada said. Each gang has its own symbols, colors, codes, and signals of membership, such as wearing a certain tattoo or religious emblem.

In one of the state's largest gang factions, the Disciple Nation, members show affiliation by wearing a piece of clothing or jewelry to the right — a ball cap with the brim to the right, a belt buckled on the right side, an earring in the right ear, even shoelaces tied to the right.

More than 2,000 Illinois prisoners were among the 125,000 exiled by Fidel Castro years ago, Spada said one-fifth of the exiles were "criminal or mental patients. Most are psychotic." The Cubans tattoo the webbing of their left hands with a symbol advertising their specialty — executioner, drug dealer, kidnapper.

While most people associate gangs with violence, Spada said the older, more established gangs aren't necessarily a violent lot. "The young gangs are very dangerous to us right now," he said. "The older ones are in it to make money. The young ones are making a name for themselves."

GC honor society initiates new members

An initiation ceremony for the National Honor Society was conducted at the Granite City High School cafeteria April 24.

The ceremonies included entertainment from the students. Pamela Robb performed a piano solo, Adam Schneider sang a vocal solo, Steve Kusmierczak gave an original oration and the NHS Pep Band played several selections.

A candlelight ceremony was conducted, and National Honor Society officers gave their interpretations of the meaning of the emblem and the pledge.

New members were introduced and the group was addressed by Gilbert Waismley, principal of the high school.

Senior initiates included Lisa Baldwin, Paul Clark, Cathie Clotfeller, Ethan Ellsworth, Robert Matosian and Chris Reuter. Junior initiates were Chris Ashmore, Denise Bard, Tammie Beal, Michelle Bertsch, Paula Bills, Linda Briner, Della Corbitt, Sherry Dawson, Tanya Donikyan, Terry Dutko.

Also, Christine Finke, Karrie Prazar, Carolyn Friedel, Alan Gerard, Jema Gonzales, Timothy Gossett, Daniel Graff, Tamela Gray, Dineen Griffin, Walter Griffith, Annmarie Gury, Lisa Heater, Laura Jansen, Julie Johampeter, Kenneth Jones, Jill Kinder, Melissa Kozak, Cathy Lathrop, Kevin Lilley, Helen Loftus.

Linnette Maier, Stephen McArthur, Alicia Melton, Angel Molina, William Moore, Diane Oliver, Doona Partney, Craig Petton, James Patton, Mark Pickrel, Robert Pvo, Derrick Randall, Matt Roe, Neda Sanders, Patricia Scaturro, Amy Scherrills, Maria Schrader, Jeannie Sellers, Robert Shaw, Gary Sikora, Marcia Thomas, John Veradian, Ryan Weeks, Beth Werthas, Marcia Williams and Jeff Zukas.

Faculty advisors for the group are Andrew J. Yurko and Mary Perdue Tapp.

Accord reached on DUI driver license suspensions

Sen. of State Jim Edgar announced Monday that compromise legislation which requires a 3-month to 6-month automatic driver license suspension for DUI (driving under the influence of alcohol) offenses will be proposed in the General Assembly this week with widespread support.

Endorsing the proposal with Edgar were legislative leaders of both parties. Others supporting the accord include the Chicago Bar Association and the judiciary. Sponsors include Rep. Sam Wolf of Granite City.

"This agreement resolves a conflict between legislation offered by the DUI Task Force and proposals advanced by other parties who have expressed differing concerns," Edgar said. "It fulfills my goal of swift and certain action against drunk drivers but it also guarantees the right of a judicial hearing before driving privileges are taken away."

Senate Pres. Philip Rock said the proposal strikes a balance between tough DUI laws and civil liberties. "This plan sends a message to those

who drink and drive that if they are caught, they will lose their license, but it also preserves the constitutional right of due process," Rock said.

House Speaker Michael Madigan said the proposal is acceptable to all parties. "This compromise is the result of hard work by many concerned groups and individuals. I think it is workable and I intend to support it," Madigan said.

Edgar said, as DUI laws are being carried out now, many offenders never have driving privileges taken away. "The summary suspension provision of this proposal for first offenders guarantees drivers must lose their licenses for three months if they fail a chemical test and six months if they refuse to take it."

"At least 30 days of those time periods must be hard suspensions with no recourse for any kind of restricted permit. That has been a top priority of the DUI Task Force and it represents genuine progress in efforts to make sure that drunk drivers are punished swiftly with an absolute loss of license."

Outlines how to obtain Social Security card

People in the Granite City area who plan to apply for a Social Security number should apply at least 2 weeks before they will need the number, Oliver Holmes, Social Security manager in East St. Louis, reports.

It takes this time to process the application, evaluate the evidence, search the files at Social Security headquarters and issue and mail the Social Security number card.

When applying, a person must have evidence of age, identity, and citizenship or legal alien status, Holmes said. In addition, a person 18 or over applying for the first time must apply in person.

The best evidence of age and citizenship is a public record of birth issued before age 5. If this is not available, religious records established before age 5 may be considered. Only if these are not available can other evidence be submitted.

Evidence of identity can be any document showing identification data such as a physical description, photograph, or signature. Examples include a driver's license, voter's registration, school record, report card, identification card, marriage record, draft card, military ID, building pass, adoption record, or organization membership.

People applying for a duplicate card to replace one lost must provide evidence of their identity. Also, a person who wants to change her or his name in Social Security records must provide evidence of identity under both the old and new names.

Only original documents or copies certified by the issuing agency are

acceptable.

For more information about applying for Social Security numbers, Holmes suggested people contact the Social Security office at 650 Missouri Ave. A free leaflet, Applying for a Social Security Number, is available.

WHISKEY, POOL STICK GONE
A car owned by Gregory Nighobossian was broken into May 5 while it was on the lot of the new Knights of Columbus Hall on Old Alton Road. Taken were a bottle of whiskey and a five-piece pool stick with case.

BURGLAR TAKES STEREO

A stereo and two speakers were discovered missing from the Burlingame Construction Co. office at 909 Madison Ave., Madison, after a burglary May 4.

GC man charged with armed robbery

A Granite City man has been charged with armed robbery in an occurrence at Schewe's Confectionery, 2506 Grand Ave., Saturday.

Ed J. Crowley, 26, of 1700 Delmar Ave. was apprehended Monday morning at 17th Street and Grand Avenue during officers' response to

a prowler at the Sonic Service Station. He was charged with prowling and later with the armed robbery. According to Police Chief Ronald Veizer, the investigation also has cleared four other recent armed robberies in Granite City, 17 local burglaries and nine thefts. He said most of the items taken were sold or pawned.

Crowley is being held on \$10,000 cash bond.

In the confectionery robbery, Becky Huff, a clerk at the store, alleged a man, later identified as Crowley, came into the store, walked up to the cash register and threw a paper bag at her, telling Huff to give him all of the money.

She said Crowley was holding a small-caliber automatic pistol in his hand. She began placing money in the bag slowly while operating a silent alarm button.

She said Crowley became impatient and reached into the register himself to fill up the bag. He then fled north on Grand Avenue.

On May 6, police were called to the Sonic Service Station, 1817 Madison Ave., to check on two suspicious men near the facility.

Police followed a trail of matted weeds to 17th and Grand, where they located Crowley lying on the ground.

A woman also was arrested near where Crowley was apprehended. Teresa D. LeGrand, 28, of Granite City was charged with unlawful use of a weapon and obstructing a police officer.

LeGrand pleaded innocent to both charges Monday in court and was released on a \$2,000 recognizance bond.

ARREST FOR DUI, SPEEDING

Steven R. Winn, 33, St. Louis, was charged with driving while under the influence of alcohol and with speeding May 7 on Madison Avenue in Madison. Officers there enlisted the aid of Granite City and police in three Granite City police vehicles and one Madison patrol car stopped Winn at 20th Street and Madison Avenue. He was released later after posting \$302 cash bail.

VIOLATION IS ALLEGED

Mark Williams, 18, of 72 Venice Homes, Venice, was charged with violation of probation when arrested in the 600 block of Broadway May 5.

Hospice honors local volunteers

The annual volunteer appreciation dinner of Hospice of Madison County was held April 25 at St. Elizabeth Medical Center.

A barbeque rib dinner was served to 90 Hospice volunteers and their guests.

Tom Holloway, chairman of the Hospice board of directors, presented the welcome address. Certificates of appreciation were awarded to volunteer Lois Lybarger, director of the volunteer program.

Hospice staff members formed a receiving line to greet and express thanks to each volunteer attending. A square dance exhibiting by 15

dancers coordinated by Ruth Dowthitt, R.N., a hospice volunteer, entertained the group after the dinner and award ceremony. Caller for the dancers was Charles Shoats of St. Charles, Mo.

Hospice of Madison County, affiliated with St. Elizabeth Medical Center in Granite City, is a home care program for terminally ill patients and award ceremony. Callers for the dancers was Charles Shoats of St. Charles, Mo.

Care is provided by an interdisciplinary team including the

physician, nurses, social worker, volunteers and clergy.

"Hospice care is a crucial part of hospice care," Nina Millett, Hospice program director, said. "They supplement the care provided by the professional staff and relate to patients on a different level than the professionals."

"Their involvement says, 'I'm here because I want to be here, not because I'm paid to be here.'"

"Volunteers do a variety of things, including helping the patient and family, providing transportation, helping with office clerical tasks, and assisting with fundraising events. Our number for information and for volunteers is 798-3399."

Model plane aerial displays May 19

The Eastside Radio Control Club, a sanctioned club of the Academy of Model Aeronautics, will hold a model aircraft aerial demonstration and exhibition on May 19 from 11 a.m. to 3 p.m. at the club flying field, the site of the former Mississippi River Festival.

The demonstration will include aerobatics, giant scale, gliders, helicopters and flights from many types of model aircraft.

The club plans to familiarize the general public with varied facets of model aviation, and everyone of all ages will be welcome. There is no admission fee.

A concession booth will be available with hotdogs, soda and chips.

WOMAN'S RINGS STOLEN

Christina A. Davis of St. Louis told Madison County deputies that a man in whose auto she was a passenger took two rings, valued at \$700, from her. After taking the rings, the man forced her out of his car on Route 3 north of Interstate 270.

PEDESTRIAN IS INJURED

John W. Bucks, 22, of 2164 Grand Ave. was injured during the weekend when struck by a car in the 2200 block of Grand Avenue. The car was driven by Robert A. Watkins, 41, of 2213 Grand, who said a man walked out from behind a parked car. Bucks refused medical treatment at the time of the accident.

"In view of the fact that the state does have titles which are increasingly more specialized, some of which are very sensitive, it is increasingly important that our review and verification of candidates be accelerated for some positions."

Under the new procedure, the state will require verification of past employment and professional certification within 60 days of employment. As before, law enforcement background checks are required for some positions. The new procedures will also now apply to consultants and contractual employees in certain areas.

A preliminary list of affected titles under the Personnel Code includes:

1. Forensic Scientist Trainee.
2. Forensic Scientist I-3.
3. Crime Studies Associate.
4. Crime Studies Field Analyst.
5. Crime Studies Analyst.
6. Crime Scene Technician.
7. Arson Investigations Trainee.
8. Arson Investigator I-4.
9. Dangerous Drugs Investigator I-4.
10. Dangerous Drugs Compliance Officer I-3.
11. Liquor Control Special Agent I and 2.
12. Motor Carrier Enforcement Officer I-3.
13. Polygraph Examiner Trainee.
14. Polygraph Examiner I-4.
15. Revenue Fraud Agent I-5.
16. Substance Abuse Specialist I-4.
17. Child Care Service Worker Associate.
18. Child Care Service Worker I and 2.
19. Child Development Aide I-3.
20. Child Protective Investigator I and 2.
21. Social Worker I and 2. And,
22. Mental Health Technician Trainee I and 2.

ARREST TENNESSEE MAN

George E. Mathis, 56, of Dover, Tenn., was arrested by Pontoon Beach police May 4 in the 3900 block of Pontoon Road. He was charged with driving while under the influence of alcohol.

EXPERT APPRAISING
MORRIS REALTY CO.
876-4400

Meeting June 4 on Alton Lake shore fleeting issue

A public meeting on the Pool 26 (Alton Lake) shoreline management investigation is set for June 4 at 7:30 p.m. in the Sky Room of the Stratford Hotel, 229 Market St., Alton.

The U.S. Army Corps of Engineers will present the results of an investigation initiated by an Aug. 28, 1984, public meeting.

The recommended plan shows sites for which minimal conflicts exist, on a cumulative basis, for future shoreline flooding. The meeting will be offered an opportunity to ask questions and offer comments.

An informational session will be conducted at the same location from 2 p.m. to 5 p.m. for those who wish additional information on the investigation and the tentative recommended plan prior to the public meeting.

Public hearing on the Pool 26 shoreline management investigation is set for June 4 at 7:30 p.m. in the Sky Room of the Stratford Hotel, 229 Market St., Alton.

These groups provided the Corps with resource inventory maps and resource sensitivity maps which delineated each resource's sensitivity to flooding activities.

These maps and associated information were utilized by the Corps

in developing the tentative recommended plan that will be presented.

Public input on these maps at public workshops gave the public an opportunity to present information that was not included on the maps.

A spokesman said the complexity of the multiple use resource base in Pool 26 became evident when all of the resource and sensitivity maps were combined. All 176.6 miles of the pool were found to be of concern to one or more of the resource groups.

In recognition that the Corps of Engineers must serve as the steward for all resource interests in the pool, it was concluded that a trade-off analysis was required; this analysis was conducted, and resulted in the district's recommended plan. Goal is an appropriate balance among the competing economic and environmental resources while ensuring minimal intrusion of one upon another.

Those who cannot attend, but would like to express an opinion, may write their views. Written statements may be handed in at the meeting or mailed within 15 days after the public meeting to: U.S. Army Engineer District, St. Louis, ATTN: LMSD-P-A, 210 Tucker Blvd. North, St. Louis, Mo., 63101-1985.

Mailed statements should indicate that they are in response to the meeting announcement. Written statements will become part of the official record of the study and will be available for public examination.

Aerospace summer camp offered

A summer camp for high school students, titled "Careers in Aerospace," will be offered at Parks College of St. Louis University in June. There are four one-week sessions beginning, June 3, 10, 17 and 24. The camp is jointly sponsored by the college and the Berkeley and

Conference on ways to prevent truancy

Effective methods of truancy prevention will be the focus of the first statewide conference on truancy May 13-15 at Hotel Pere Marquette, Peoria. Cosponsored by the Illinois State Board of Education and Illinois Association for Truancy Prevention, the conference will bring together state and local agencies which provide services to truants.

Conference highlights will include an overview of truancy remediation in Illinois; a review of the board's proposed truancy legislation, discussion by judges on the use of juvenile courts for truants, and more than 40 workshops on truancy issues.

Workshops will include discussions of methods to help students solve problems, alternatives to substance abuse, development of effective attendance policies, the roles of teachers and the community in truancy prevention, and parenting skills for teenage parents.

Ferguson-Florissant school districts.

Students will live on the Parks College campus in Cahokia, and take field trips to the Lambert-St. Louis International, St. Louis Downtown-Parks, and Spirit of St. Louis airports.

There will be orientation sessions on such aerospace career fields as professional pilot, aerospace engineer, aeronautical administration, avionics, aircraft maintenance, meteorology, transportation, and travel and tourism.

Campers will have a flight in a training aircraft and will construct and launch a rocket. Instruction will be given by Parks College faculty members.

The cost for a week's session, including room and board, is \$175 per person. Additional information may be obtained at Parks College, 337-7500.

RADIO TAKEN FROM PARK

Cecil Martin, 2210 Nevada Ave., told police May 6 someone took his radio, valued at \$80, while he was at Wilson Park.

ALCOHOL CHARGE FILED

Jeffrey D. Riggs, 19, of 2300 W. 23rd St. was charged May 2 by Granite City police with illegal transportation of beer in his vehicle. He posted his driver's license as bail.

'Rainbows' theme of next Very Special Arts Fest

"World of Rainbows" has been selected as the theme for the eighth annual Very Special Arts Festival to be held Nov. 21 and 22 at Southern Illinois University at Edwardsville.

Volunteers will be planning the festivities over the summer months. Anyone interested in helping to create a "world of rainbows" is to contact Diane Savoca at 692-2037 or 656-5788.

The festival is the highlight of the Very Special Arts Program which is designed to extend opportunities for handicapped and normal students to learn in, through and about the arts.

"Last year, 2,300 persons came to the festival to share their talents and learn from each other," Diane Savoca, director of the festival, said. "We need 250 volunteers to make this special experience possible."

Son-Life adds age-4 kindergarten

Son-Life Christian School for the 1985-86 school year will add a kindergarten readiness program using the A Beka curriculum.

The four-year-old kindergarten has been opened successfully for 15 years by A Beka, a spokesman said. The program will not take the place of the regular kindergarten for age five, but will provide an opportunity for a child to gain social, emotional, physical and educational skills as part of a preparation for kindergarten.

The program will offer Bible, phonics, numbers, beginning printing, arts and crafts and physical activities.

The four-year-old kindergarten will be in session Monday through Friday, 8:30 to 11:45 a.m., including snack time and recess. Registration is now open for four-year-old kindergarten through the 12th grade.

Son-Life Christian School, 345-4224, is located at 1203 Vandalia Ave., Collinsville.

Hillmer victory in Madison confirmed

An audit of votes cast in the April 2 Madison city election for Andrew Economy and James Hillmer, candidates for alderman of the 1st Ward, showed the same numbers as previously counted.

According to Evelyn Bowles, Madison County clerk, Hillmer won the office with 259 votes and Economy, who had been serving by appointment, received 273 votes and lost by the 26-vote margin.

A canvassing committee compos-

ed of new Mayor John Belicoff, Acting Mayor Thomas Gordon and City Attorney Casper Nighossian witnessed the official recount Friday in the County Courthouse at Edwardsville.

Newly-elected city officials were sworn into office Tuesday night.

DUI, LANE USE CHARGES

Raymond D. Roberts Sr., 56, of 1227 22nd St., was arrested May 5 for driving while under the influence of alcohol and improper lane usage in the 1600 block of Pontoon Road. He was released on \$102 bail.

PROPERTY DAMAGE CHARGED

Lucas Van Buskirk, 25, of 215 Grand Ave. was charged May 5 with property damage after he allegedly was seen by police near an area where motorists were complaining of someone throwing rocks at cars.

WINDOW BROKEN BY BRICK

A brick was thrown through a plate glass window May 5 at the GC Standard Station, 22nd Street and Madison Avenue, but entry was not gained to the building.

Infrastructure, economic incentives being stressed

Economic incentives are only half the package a community must offer to attract new business. Infrastructure — roads, sewers, water systems and the like — is a vital component in a company's expansion or relocation site selection process, according to Michael T. Woelfler.

"In order to improve a community's economic development potential, local governments must develop public works plans and financing tools to complement existing state infrastructure programs and Governor James Thompson's

proposed Build Illinois program," said Woelfler, the Illinois Department of Commerce and Community Affairs director.

DCCA is sponsoring an infrastructure conference at the McCormick Inn in Chicago June 27-28 to show local government officials and municipal finance, engineering and construction professionals what the state has to offer and "where to go from there." The two-day workshop features a look at the condition of the state's infrastructure and trends in revenue sources, financing, allocation, population and employment.

Several program tracks will be offered concurrently. The range of financing tools + from the traditional to the creative + and how to make them work is the focus of several sessions.

A discussion of how to conduct infrastructure surveys and interpret the results is scheduled. Planning and budgeting capital improvements, setting priorities and state and federal assistance programs also will be presented.

Meanwhile, a pilot project designed to allow railroads and utilities access to data about more than 6,000 available industrial sites and buildings through the state's computerized system is being conducted by DCCA.

"Illinois is the first state to develop a program to share its industrial sites and buildings data with other organizations via computers. This will dramatically increase the opportunities to get information on Illinois into the hands of industrial prospects at no cost to our taxpayers," Gov. Thompson said. Users are to pay computer access charges.

The six-month feasibility test will be in cooperation with Central Illinois Public Service Co., whose Springfield offices are across the street from DCCA. The project will begin in June and is expected to spread eventually to other utilities and railroads throughout Illinois.

The Illinois site and building data base identifies suitable locations or facilities for prospective industries desiring to locate or expand in Illinois.

The program, which began in 1981, goes beyond cataloging the sites and buildings. It also provides detailed information on the services available at any specific location.

"For example, if a company requires a building of 50,000 square feet located along the Illinois River with access to rail transportation and a private airport, the system will provide, in a matter of seconds, all facilities meeting those specifications," Thompson said.

TWO MEN ARE ACCUSED OF THEFT OF CHARGER, TOOLS

Felony theft charges have been filed against Wilbert E. Herman, 31, of 84 Margaret Ave., Mitchell, and Anthony J. Wilson, 38, Glen Carbon. They are accused of taking a commercial charger, tool box and tools from a carnival/Pontoon Beach. They were arrested May 4 after Pontoon Beach police alleged seeing them back onto Pontoon Road from the area of the carnival's power trailer. Officers reported stopping their car after it narrowly missed an oncoming vehicle, and then told of finding the charger, tool box and tools in the car. The carnival owner later identified the items as his.

Wilson also was charged with reckless driving and driving while his license was suspended. Bond was set at \$10,000 for each of the suspects.

NOTICE OF CLOSURE

A plan to close the Kerr-McGee Chemical Corporation hazardous waste management units located in Madison, has been submitted to the Illinois Environmental Protection Agency (IEPA) pursuant to Subpart C of 35 Ill. Adm. Code 725. The site is owned by Kerr-McGee Chemical Corporation and will continue operations following closure of the hazardous waste management units.

Interested persons are invited to submit written comments on the plan or request modifications of the plan within 30 days of the first publication date of this notice. Written comments must be addressed to the IEPA, Public and Intergovernmental Programs, Attn: Public Notice Clerk, 2200 Churchill Road, Springfield, Illinois 62706.

The site must be closed in accordance with the standards set forth in the Environmental Protection Act, Ill. Rev. Stat., Ch. 111 ½, pars. 1001 et seq., and regulations adopted thereunder.

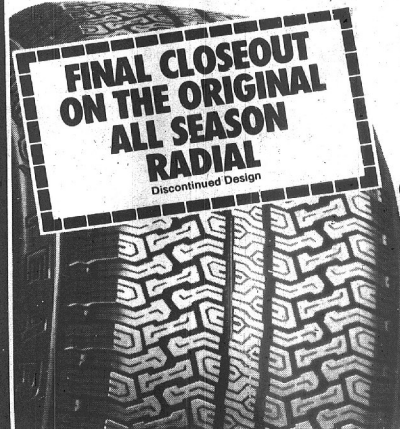

The proposed closure plan, closure performance requirements, and other documents are available for inspection headquarters. These documents are also available for inspection and copying at the Collinsville Field Office, DLPC Field Manager, 2009 W. Main Street, Collinsville 62234 (618/345-4606).

In response to requests or at the discretion of the IEPA, a public hearing may be held to clarify one or more issues concerning the closure plan. Public notice will be issued 30 days before any public hearing.

For Baseball

Cole is Press-Record Athlete of the Month

By JOE THOMPSON

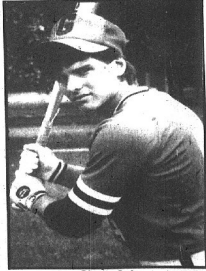

of the Press-Record

GRANITE CITY — Alan Ladd was a popular actor. He certainly was well thought of by John and Joyce Cole of Granite City. The couple named their only child, a son, after the most famous character ever portrayed by Ladd during his film career — the same name as the title of the movie the character appeared in — "Shane."

Shane Cole, son of John and Joyce, and leading hitter for the Granite City High baseball Warriors, grinned. "I asked her (his mother) why she named me Shane. She said she liked Alan Ladd," the Warriors' right-handed slugger said.

Cole, who was batting an astronomical .403 going into weekend play, suggested his first name might have been more unusual. "It's a good thing she didn't like Star Trek," he said. "She might have named me Spock."

Like the hero in the legendary Western film, Shane's name wears well in a baseball uniform.

Shane Cole

Cole is the Granite City Press-Record's "Athlete of the Month" for April. He has performed heroic deeds this spring with his bat.

In addition to his high average, he has hit with authority. Cole boasts a slugging percentage of .653. Of his 29 hits, 11 have gone for doubles.

THE NUMBER of two-baggers is a school record, a startling accomplishment considering there are seven games left in the regular season.

Cole, an outfielder, has also powered two triples and one home run. He has 17 RBI's, three being game-winners. He's also hit a lot of long fly ball outs, including two which ushered in game-winning runs.

With all this hard swinging, you'd figure his strikeouts mark is high. Not true. He's fanned just six times in 72 times at bat.

Shane? His name might as well be Mickey Mantle insofar as Warrior Coach Bob Stegemeier is concerned. "He's been our leader," said Stegemeier. "He's done everything we've wanted out of him."

"He hits with power," said Stegemeier, analyzing Cole's hitting stroke. "He doesn't run that well. He

hits the ball in the gaps... He hits long fly balls."

Cole's selection was made by the Press-Record Sports Staff. He will receive a certificate for the honor, as will five other area athletes given "Honorable Mention" accolades.

They are Orlando Love, of Venice; Darnell Marshall of Madison; Debbie Brandt, Robin York, and Eric Graves of Granite City.

OF HIS stellar play, the brown-haired, green-eyed Cole, a three-year starter, notes, "There's not so much pressure. This year, it seems a little more fun. I'm more relaxed when I get to the plate. I don't have to worry about striking out and having to sit down. That helps out a lot."

Another thing that has helped is that he is a senior. Cole said he remembers, as a sophomore, batting against one pitcher — a senior — who hurled the ball 92 miles per hour.

The same is true in football, where Cole starred at quarterback for the Warriors the past two years.

"It helps out a lot to know that

you're not playing against kids three years older than you are," he said.

Cole has received much attention for his football play, with 27 colleges expressing interest. But Cole said he hopes to earn a college scholarship in baseball.

Not only does he figure his 6-0, 185-pound frame is too small for football — the first thing college scouts ask on the phone is, "how tall are you," said Cole. Cole is well aware fending off 280-pound defensive ends does not bode well for good health.

"I've decided to stick with baseball. It's a little safer. You don't have all those big boys hitting on you," said Cole.

SO FAR, however, Cole said only one school has expressed interest in his baseball skills.

Once he does get to college, Cole said he plans to major in business administration.

As for boasting the same name made famous by Ladd, Cole pointed out the actor, "probably made more money than I will."

It's doubtful, however, Ladd could

smack a curve ball into the gap like Cole can. For now, that's what's important.

"I just hope to keep my batting average over .400 and help the team get to state if I can," said Cole.

ORLANDO LOVE (Red Devil, baseball) — You can credit Damon Harris for the Red Devils' first victory of the season. A senior, Harris pitched the Red Devils to victory in the first game of a doubleheader against Worden, and knocked out a grand slam home run in the second to lift his team to victory in the nightcap.

But that was Monday. The month of April was not so kind to the Red Devils. They did not win a game, but they did have their bright spots.

One of them was Love, a sophomore who stands about 5-feet 5-inches and weighs 110 pounds. The left-hander cracked three home runs. He also was the team's ace hurler.

"He's just a good all-around

SPORTS Thursday

PRESS-RECORD

In Seventh Inning

Flyers rally to clinch conference baseball title

By ALAN L. GERSTENECKER

Sports Editor

of the Press-Record

EAST ST. LOUIS — The long dry spell for Arthur May and his East St. Louis Flyer baseball team came to an end Tuesday.

The thirteenth quench came in the bottom of the seventh inning as the Flyers rallied and beat the Warriors 6-5 here at Jones Park.

It's been a long time since the Flyers dipped from the well and come up with a league championship. The last time the Flyers were as successful in the league Richard Nixon was president, the war in Viet Nam was in full swing and Granite City still had one high school.

That was 1973.

NOW, 12 years later, the baseball Flyers have done it again. They've clinched the conference crown with one league game to spare.

But it wasn't easy. Warrior Coach Bob Stegemeier and his team of gutsy hurlers weren't about to concede anything to the league-leading Flyers. For it the Warriors beat the Flyers Tuesday and breezed through their remaining two SWC games against Collinsville and Alton, the Warriors would be conference champs. Granite City's first and major obstacle was East St. Louis. And, it turned out to be the one obstacle the Warriors just couldn't overcome as the Flyers emerged victors in the seesaw battle.

THINGS started off in fine fashion for the Warriors Tuesday as they took a 2-0 lead after half an inning. Facing Flyer pitcher Bobby Deloach, who many consider the best pitcher in the league, Bill Moore slapped his second pitch to center field for a single.

Jim Chomko moved Moore along with a sacrifice bunt which he reached base on anyway when Deloach's throw pulled Flyer first baseman Kinard Wilson off the bag.

After a wildpitch, which advanced the runners to second and third, Shane Cole, the Press-Record Athlete of the Month for April, swatted a two-and-two pitch to deep left field which scored both Moore and Chomko.

BUT the Warriors big inning ended just as quick as it started. Pat Cathey, who would later drive in two runs with a triple, struck out and Kurt Hylla and Todd Hinterser each blasted line shots right at East Side fielders.

East St. Louis erased the 2-0 lead in its half of the first and upped Granite City by one to take a 3-2 lead after a full inning.

Warrior hurler, Allen Zentgraf, who always seems to start slow, walked leadoff batter Lawrence Moore. Moore stole second and then Kinard Wilson put the Flyers on the board as he ripped a single to center field which scored Moore.

FOLLOWING a fly out to center field, Deloach, who nearly always figures in East St. Louis' stories, tripled to deep left center field to easily score Wilson to tie the game.

But the Flyers were to get a little help from the Warriors as they picked up the go-ahead run. The relay from center field to shortstop could have halted Deloach at third, but an attempted throw by Bill Moore escaped the infield and out-of-play which advanced Deloach to the plate for the go-ahead run.

Through the second and third innings, both pitchers began to settle in to their respective games. Pitching to seven, Deloach struck out four while Zentgraf, pitching to an equal

number of Flyers, struck out one and forced the others to ground or pop out.

HYLLA knotted the game at three apiece in the fourth inning when he reached on an error on the Flyers' first baseman Wilson. Hylla stole second base and advanced to third when John Konkovich successfully sacrificed.

Hylla crossed the platted when

SCORING
GRANITE CITY 2 0 0 1 2 3 5 6 1
EAST ST. LOUIS 2 0 0 1 2 3 3 3 3

GRANITE CITY: Moore 2-1B; Chomko 1B; SAC Cole 2B; 2RB; Cathey 3B; 2RB; Konkovich SAC; LP: E. Gray, (3 Inn.) SO-9, BB-1, LOB-7.

EAST ST. LOUIS: Deloach 1B, 2B, 3B, 2RB; Wilson 2B; RBI; Lofton 2B; SAC; Riddle 2B; 2RB; Hill 2B; P: Eric 1B; WP: Deloach, (7 Inn.) SO-10, BB-2, LOB-7.

Fred Becker grounded to first base for what appeared to be an inning ending out. But Wilson bobbled the ball and was never able to make a play on the speedy Becker as Hylla scored the tying run.

The Warriors broke back on top in the fifth inning with a pair of runs to take a 5-3 lead. Moore reached on a walk and Chomko singled to center field to move Moore to second.

WITH runners at first and second, Cole knocked a chopper to the Flyers' Rodney Lofton shortstop who played the fielder's choice at second to get Chomko.

With runners at the corners, Cathey swatted a towering shot to deep center field for a triple which scored both Moore and Cole to give the Warriors a 5-3 lead.

Hylla flied out to Wilson at first to end the Warriors' inning.

In the Flyers' half of the fifth, Zentgraf, beginning to tire, walked East St. Louis' Moore. Relieved by junior Ernie Gray, the Warriors managed to get two outs before Deloach struck another blow.

WITH Moore at second, Deloach blooped a shot down the left field line. The shot should have been a single, but Deloach who is fast as foot anyway, was helped by the Warriors who were playing the clean-up hitter deep. Moore's score cut the Warrior lead to one, 5-4.

FOLLOWING a scoreless sixth by both clubs, the Warriors' Moore reached on a single in the seventh to give the Warriors yet another scoring opportunity. East Side's Steve Hill, however, dashed the Warriors final hopes of adding to their tally as he cut down Moore attempting to steal second.

IN THE bottom of the seventh — sensing the game was on the line — both teams' benches were standing cheering their respective clubs. The Warriors were applauding the efforts of pitcher Gray while the Flyers were lauding each batsman.

Wilson atoned for his two errors by singling to center field. Lofton's sacrifice bunt moved Wilson to second for none other than Deloach.

Taking a first strike and batting another off foul, Deloach reached out over the plate and slapped a high curve ball for a double while pushing Wilson to third.

GRAY intentionally passed Carl Brown to load the bases for the double play, but to no avail. Melvin Biddle, the Flyers' sixth batter in their lineup, swatted a one-out pitch to center field to score Wilson and Deloach who crossed the plate for the winning run.

The Flyers and their fans poured onto the field. They had won the game the most exciting way possible

A LITTLE HELP. Granite City High School's Mark Bowen, right, seeks a little divine assistance for fellow pitcher Ernie Gray during the seventh inning of Tuesday's Southwestern Conference baseball game with East St. Louis. Things didn't work out the way the Warriors would have liked though.

— in the bottom of the last inning.

"We're the champions. We're the champions. We're No. 1," were the Flyers' cheers as they swarmed onto the field and around Deloach.

The scene was a classic one. The victors and the victims. The Flyers with soaring emotions and the Warriors whose emotions had apparently bottomed.

"We battled them as hard as we knew how," Stegemeier said after the game. "We made a few mistakes that hurt us, but they just hit the ball well. We've got no reason to feel bad about losing today."

The scene was a classic one. The victors and the victims. The Flyers with soaring emotions and the Warriors whose emotions had apparently bottomed.

"I'd like to play them again. Now we're split with them during the regular season and if we're going to win the regional we'll have to meet them again," Stegemeier said.

The victory improves the Flyers to 19-7 overall and 7-2 in the league. The Warriors, who meet Alton at Varsity Field Friday, are 15-11 and 4-4.

NOTES: In sophomore action, the Warriors met with the same demise as their varsity cohorts, losing to the Flyers 6-3 also at Jones Park. The Warriors gave up three unearned runs and committed five miscues in their defeat.

The loss dropped Granite City to 13-3 on the season while the Flyers upped their tally to 14-6.

At Wilson Park
Fast-pitch series hopes to
rekindle some local interest

By AL BARNES

for the Press-Record

For a period of four to possibly five hours this Saturday night, Granite City will reclaim its former spot as the fast-pitch softball capital of the State of Illinois.

Starting at 5 p.m. Saturday at the Wilson Park, a twilight double header between two Alton softball league teams will be played.

Making up the line-up of one of the two teams, Ron's Illini Club, will be mainly composed of Granite City baseball and softball stars.

OPPOSING Ron's Illini Club will be the Miller Lights, formerly the Kees Janssen & Son Masonry Club of Alton, winner in 1984 of the Midwest Regional Tournament.

Roger Belshe, former football, basketball and baseball star at Granite City High and then a stand-out catcher on the Southern Illinois University at Edwardsville Cougars, leads the contingent of five Granite City softball players on the Ron's Illini Club team.

The others are: Ralph Burnett, first baseman, who played his college baseball at Western Illinois University; Tom Hennrich, second baseman and All-American at Illinois State; shortstop Dave Melzer, third baseman Gus Lignault and

center fielder Dan Schaus.

SHARING the catching job with Belshe will be Steve Boeber of Alton. Another Alton native, Gary Godar, will be the team's utilityman.

Hitting star for the Illini Club in 1984 was Darrel Wehrnd, former All-American batting star at SIUE. He will be center field and is a native of Hamed.

Two other outfielders on the Illini Club will be Rick Downer of Wood River and Alton's Bob Aszman.

The Illini Club has three main hurlers, led by Ron Thovenin, a legend in his own time for his feats of mound mastery. The 52-year-old Thovenin, a native of Huey, Ill., is a leathery and lean 6-foot 6-inch right-hander.

THOVENIN, who has 11 accredited no-hitters to his record in over 35 years on the mound, throws right-handed. Ron Roth, manager of the Illini Club, hasn't announced which game the storied Thovenin will pitch Saturday. In his long and brilliant career he played on four Illinois state championship teams and was named most valuable pitcher all four meets. Last year, playing with the Illini Club, the veteran hurler was named the MV pitcher on the midwest regional team.

Belshe, a keen student of the game, opined: "He'll very likely

start him in the first game. That way, Thovenin will be aided by the early half-light which should add to his strikeouts."

OTHER pitchers for the Illini's are: Mike Scoggins at Alton and Marc Scroggins of Roxana.

Four stars on the Miller Lights are: pitchers Steve Gibson and Rich Carroll and a pair of hard-hitting outfielders Mark Burris of Wood River and Dave Steward of Decatur.

In years past, going back to the hey day of fast-pitch softball starting early in the Great Depression up through about 10 years ago, Granite City was always No. 1 in the state, holding many statewide tournaments. Pushing Granite City for the No. 1 berth in Illinois softball were Alton and Belleville.

With the popularity of slow-pitch, interest in the fast-pitch game waned in Granite City, but Alton and Belleville have continued to be hot beds of the sport.

Says Belshe: "We hope that Saturday's games will help rekindle the same old interest in the sport which it once held for the fans here."

Currently, there are no fast-pitch softball teams which compete in the Wilson Park Leagues. Declining interest and a shortage of teams to compete in the leagues have prompted the district to drop its long-standing men's fast-pitch league.

(Press-Record Photo by Alan L. Gerstenecker)

Lose To Hazelwood Central

Barrage of shots not enough for GCHS kickers

By JOE THOMPSON
of the Press-Record

ST. LOUIS — With the second leg of the "East Side" championship girls' soccer match two days away, the Granite City High kickers saw some of their sparkle on the "West Side" muddled a bit Tuesday.

The Warrior kickers fired 34 shots at Hazelwood Central, but lost the match, 2-0. Hazelwood Central managed just seven shots against the Warriors.

The Warriors have dominated St. Louis teams this season, chalking up seven of their eight victories against them. Tuesday's defeat was only the Warriors' second of the year going into their return match with Collinsville Saturday at Collinsville.

THE KICKERS are the only other Illinois school in the area which fields girls' soccer. The Warriors-Kickers match-up is slated to start at 1 p.m. with junior varsity action to begin at 11 a.m. The contest marks the Warriors' final one of the season.

In their first meeting with Collins-

ville, the Warriors won, 5-4. The victory helped set the tone for a year in which the Warriors pretty much have had things their way.

Maybe too much so. Maria Parra, a defender and tri-captain for the Warriors, suggested the team might have been looking a little too far past Hazelwood Central, who entered Tuesday's play at a robust 8-3-1.

"We thought we were cruising," said Parra. "But we got caught."

MORE precisely, it was the Warriors' inability to keep pace with Hazelwood West's Tammy Wilson that was the biggest factor in their downfall.

Wilson, a striker and Hazelwood Central's leading scorer, tallied the two goals — both coming in the first half. On both goals, the 5-11 Wilson, an All-State forward for Hazelwood Central's basketball team, demonstrated more speed than Superman on a mission to rescue Lois Lane.

Just how fast is she was a matter of some discussion. "That's a good question," said Wilson, a senior.

"We've never timed her in soccer," said Hazelwood Central Coach Cheryl Davis.

INDEED, this is Wilson's first year on the soccer team, having run track in previous years. "I needed a change," she said, explaining her switch to soccer.

Much to the woe of the Warriors, the change was toward breaking through opposing defenses and not the finish line tape.

"She's faster than all of us," said sweeper back Maria Parra, who along with centerback Dawn Schwartz manned the middle part of the Warrior defense — and, for the most part, were responsible for holding Wilson in check.

"She's awful big, too," said Schwartz, who wondered if Wilson's other sport might have been football.

WILSON'S abundant speed was especially evident on her second goal. With a teammate sending a ball through the middle of the Warriors' defense, Wilson outraced several Warriors to reach the ball. She also outran Warrior goalkeeper Michelle Jones, who left the goal in an effort to snag the ball before Wilson got to it.

No such success. Wilson tapped the ball past Jones and into the goal. While the score backed the Warriors to the net, so to speak, Wilson's first tally proved there is such a thing as home field advantage.

THE HAZELWOOD Central field was not the smoothest turf. "You see, they got all these clumps of grass," pointed out Warrior fullback Kathy Zegun.

"There's some spots that are really nice," assistant coach Terry Moore informed one fan.

But it was one of those "clumps" that appeared to derail the Warriors in Wilson's first score.

Wilson outmaneuvered the left side of the Warrior defense, and managed a shot from the side. The ball rolled, and rolled, then hopped past Jones and her waiting arms.

"I don't know what happened," said Jones, when asked if the ball took a bad bounce.

WHATEVER, the ball went into the

goal and the shot that should have been stopped but wasn't cast an ominous tone.

"That happens," said Warrior coach Mike Velloff.

What also happens happened to the Warriors in the second half, although what did happen probably shouldn't happen to anyone who wasn't playing on Friday the 13th or whose path wasn't crossed by a black cat.

"Unlucky," said Velloff, citing the biggest factor in the Warriors' demise.

CHALLENGED by a 2-0 deficit, the Warriors were unlucky in that they bombed the Hazelwood Central goal with 25 shots in the second half. They also took four of their six corner kicks.

Colleen Ryan, Sherry Dawson, Angie Moore, Linda Kuberski, Robin York and others flailed away at the Hazelwood Central goal — but to no avail.

The corner kicks — all taken nicely by Kuberski — caused serious problems for Hazelwood Central, but no goals for the Warriors.

On one play, the Warriors'

Dawson nearly put a hole through the crossbar with a shot from point blank, after taking a brilliant pass from Kathy Thornberry — who took a nice ball from a hustling Moore. But Dawson's shot bounced out. York jumped on the opportunity, but her shot rocketed over the goal.

THE SERIES of shots represented the Warriors' best chance, and when the net was still unruined except for a slight breeze, the hand-writing was clear.

"Every once in a while you've got to lose," said Velloff.

Defending Champs

Coolidge wins county meet

EDWARDSVILLE — Coolidge Junior High School Braves' track team battled off a strong Edwardsville team last Thursday, May 2, in the annual Madison County Junior High Track meet and successfully defended its championship.

The Braves finished with meet with 136 points, just 3½ ahead of second-place Edwardsville. Grigsby finished third in the meet which was run here at Southern Illinois University.

Roxana was fourth with 39 points, followed by Bethalto with 33 and Madison finished with none.

THE SECRET to the Braves' success is team balance — several quality athletes — but the overriding factor in their win is depth. The Braves are neck deep in talent.

Those turning in first-place finishes include John Stroemer in the 200 meters (25.6 seconds) and long jump (17-feet 11½-inches); Mike Assis in the 100 meter hurdles (14.9), an event in which he has not been beaten this year; and Jeff Strienowski in the high jump (5-feet 4-inches).

In addition to his efforts in the hurdles, Assis also finished strong in the long jump, jumping 17-feet 5½-inches which was good enough for a third-place finish.

OTHERS who fared well in the county-wide meet include Rick Dawes, second in the discus (117-feet 11-inches) and third in the shot put

(38'-9"). Rich Fenoglio was another Brave whose efforts in the meet helped lift Coolidge to victory. Fenoglio finished second in the 100 meter dash with a time of 12.3 and third in the 200 meters, clocking in a 27.3.

Aaron Schneider was second in the high jump with a leap of 5-feet 4-inches and fifth in the 400 meters, turning a time of 35.5.

Turning to the distance events, the Braves' Jim Hawkins was second in the 1600 meters (mile) with a time of 5:25.0 while the mile relay team consisting of Dawes, Schneider, Mike Fea and Bob Strietz turned in a time of 4:05.2.

COOLIDGE'S 800 meter relay team consisting of Fenoglio, Assis, Stroemer and Bob Strubberg crossed the tape second with a time of 1:44.8.

Fea and Matt Roger also had a hand in Coolidge's successful afternoon. Fea finished third in the 800 meter run with a time of 2:22.0 and Roger was fourth in the same event with a time of 2:24.7.

The triple jump was an event which also gave Strienowski, and Strubberg another opportunity to shine. Strienowski turned in an effort of 34-feet 10½-inches while his teammate hopped, skipped and jumped his way to a distance of 33-feet 6½-inches.

The Braves' success in the county meet this and last year are not ones which sports enthusiasts would call chance. In the 19 years from 1967 to 1983, the Braves have won 114, lost six and tied one in dual and triangular meets.

They have been Madison County Conference champions 10 times and city champions 12 times.

In Columbia, Belleville Trojanettes, Warriors prep for district meet Saturday

MADISON — Earlier this week when the daily announcements cracked over the speaker in room No. 101 at Madison High School, something was missing.

Upcoming athletic events and sports results were relayed to the students, but not a single syllable was uttered about the Madison girls track team.

"My girls got so upset with me for that," said Luviana Long, coach of those Trojanettes runners.

"Yes, I guess we're really kind of a secret. But I don't think we'll be much of a secret after district."

MADISON will be at Columbia High School this Saturday for the Illinois High School Association's sectional meet hoping to write yet another chapter in its long-running success

story of girls track.

Since 1977, when Long stepped aboard as the girls coach, the Trojanettes have enjoyed some measure of success at the state meet.

Last year, Regina Banks qualified in both hurdle events and took home a second place medal in the 110 high hurdles.

The Trojanettes also qualified two relay teams. The medley squad placed fourth overall, while the 800 foursome failed to make it to the final.

"I DON'T worry about winning track meets during the season," Long said. "We worry about the districts. That's what (the season) is all about."

Granite City's girls track team

will join the area's other large schools this Friday in a quest for a berth in the state championships.

The Warriors will be at Belleville East High School for the Illinois High School Association's Class AA sectional meet.

Field events will begin at approximately 3 p.m. with preliminaries in the running events slated to start at 3:30 p.m.

First and second place finishers in each event and those who meet IHSA standards will advance to the state meet. The IHSA track finals will be held at Eastern Illinois University at Charleston May 17-18.

Debbie Brandt and Lora Wiser were the Warriors' representatives at state a year ago.

Netters score a pair of wins

GRANITE CITY — If Granite City High School's tennis team doubted that they are an improving team, their efforts Monday should've dashed those doubts.

Hosting the Edwardsville Tigers, a team they lost to 5-1 earlier this season, the Warriors served, volleyed and passed their opponents to post a 4-3 victory, their sixth of the season.

On Wednesday afternoon, the Warriors continued their winning ways as they posted a 5-4 victory over Southwestern Conference Collinsville. The pair of wins improved the Warriors' record to 7-6 overall and 2-3 in the league.

"We're really excited," said Warrior coach Dick Harmon. "We're really excited about tennis. We've got some kids who are playing some fine tennis."

SINGLING them out, Harmon cited the efforts of first singles player Robbie Lombardi and fourth singles player Chris Chenevert.

"Robbie's playing the best tennis he ever has," Harmon said. "He's playing well and he's playing smart."

But, in second doubles, the Warriors' victory over the Tigers' Eric Moran Monday was no such surprise as was the man-

ner in which he posted it — a 6-1, 6-1 two-set shellacking.

JUST TWO weeks ago, in the Belleville East Invitational Tennis Tournament, Lombardi battled Moran to a fifth-place tie. But, things were much different Monday.

As for Chenevert, the Warrior fourth singles player earned a straight-set 6-2, 6-3 victory over Steve Archer.

"Chris has been making steady progress," Harmon said. "He seems to be taking his tennis pretty seriously."

In other singles action Monday, Dave Aerne lost a second singles match to Jeff Hyten 6-1, 7-6 while Jerry Lakin dropped a two-set match — 6-0, 6-1, to Karl Lewin in three singles.

SPLITTING the singles competition, the Warriors earned the team victory by taking two of the three doubles matches.

In third doubles Jim Johannpeter and Matt Krokovich teamed to edge Mark Donaghy and Alex Klopp 7-6, 2-6, 6-2 to give the Warriors a 3-2 lead in team points.

But, in second doubles, the Warriors broke back to tie the pairing at three each as Hyten and Archer bettered the Warrior duo of Aerne and

Chenevert 7-6, 2-6, 6-2.

In first doubles where the was ultimately decided, Lombardi was a double winner when he teamed with Lakin to upend the Tigers' Moran and Lewin 6-2, 4-6, 7-6.

"We're coming along," Harmon said. "It always takes us a while — later in the season — before we start playing our best tennis."

IN WEDNESDAY'S match with the Kahoks, Lakin, Chenevert and Tony Proffitt were singles winners. Lakin won his third singles match while Chenevert was successful in his fourth singles match against Dave Palmer. Proffitt scored a three-set victory over Shane Cochrane to score his victory.

In doubles action Wednesday, Lombardi and Lakin were winners in first doubles while the duo of Chenevert and Aerne were equally successful in second doubles.

On Saturday, the Warriors travel to Belleville East to compete in the Southwestern Conference Tournament. Action begins at 8 a.m.

Belleville West leads the conference race followed by Belleville East, Alton and then the Warriors in fourth. Collinsville is fifth followed by East St. Louis sixth.

Athletes

(Continued from Page 13)

player," said Red Devil Coach Clinton Harris, Jr.

DANIEL MARSHALL (Trojan, baseball) — You might say Marshall got a promotion this season. A junior, Marshall had served as lead-off batter since his freshman year for the Trojans. Because of his hot-hitting this season, however, he has been shifted down to the order to second and sometimes third.

"He leads the team in hitting. He's far above the rest of them," said Trojan coach Ron Crader of Marshall, who boasts a batting average of about .380.

The 5-foot 6-inch, 140-pound Marshall is also the Trojans' starting shortstop and has stolen 15 bases.

DEBBIE BRANDT (Warrior, track) — As a junior last year, Brandt tossed the discus to a fourth-place finish at the state tournament.

But that wasn't quite good enough. During the off-season, she lifted weights. Brandt's dedication didn't surprise Warrior coach Dave McClain.

"She's a hard worker," he pointed out.

The extra sweat has paid off. Going into District play Friday, Brandt may own the longest discus throw in the state — a toss of 131 feet.

She accomplished the throw at the Edwardsville Relays held April 20. On April 23, the "Timely Times," a weekly publication which features a state track Honor Roll, listed the best discus throw at 128 feet, said McClain.

As for Brandt's chances at a state title in the discus, McClain noted, "It's a possibility."

ROBIN YORK (Warrior, soccer) — There is good reason Warrior kickers have done so well this season. They have a wealth of talent to throw at opponents — whether in stopping them or scoring on them.

York, a senior, is one of the

riors in offense with five goals and five assists.

"I like her method of controlling the sidelines," Warrior coach Mike Velloff said. "She's got excellent skills."

"She creates a lot of things up front. Of course," Velloff said, "she's got great people around her. That helps."

ERIC GRAVES (Warriors, track) — There is little question Graves will qualify for state play. The only mystery is how high he'll place.

Graves' specialty is the triple jump. He is one of the top two in the area in the event, as indicated by his first-

scorers. In fact, she leads the Warriors showing in the Tiger Relays.

A senior, Graves is no stranger to state tournament limelight. He placed sixth at the state meet last year with a jump of 6-feet 6-inches. It was a good year for him. His best jump was 6-10.

So far this season, Graves' top mark has been 6-8. Then, however, he had been hampered by an ankle injury. Warrior Coach McClain is uncertain how well Graves will do in state tournament play. But thumbs are up he'll do well. He is capable.

"He's got a lot of natural talent. That's it in a nutshell," McClain said.

Sports of all Sorts

Jim Holland shares an influential memory

By AL BARNES
for the Press-Record

Most of us can recall, vividly and with fond appreciation, a teacher in either grade school or high school (and perhaps, in college,) who profoundly affected our lives.

Mine was a little spinster lady English teacher in my senior year at Lincoln Community High, Miss Webster. Apparently deformed at birth, she was humpbacked, but had, as I remember it now, one of the most beautiful smiles and faces of any woman I've ever known.

In the mail recently was a letter from one of Granite City's biggest boosters, overall but in the area of high school sports, one James E. (Jim) Holland.

Holland was never what you'd call a "star," but he played on many (football, basketball and baseball) Warrior teams with some brilliant and outstanding athletes from roughly 1927-28 through June of 1932.

Or, as he says, "I was in the famous class of '32."

Writes Holland: "A few months back, my class and I were invited to the 50th Class Reunion of the 1934 Class at Granite City High. We had a great time and enjoyed visiting with old friends, many of whom we hadn't seen for many, many years."

"One specifically and one of the town's greatest all-around athletes was Charlie McCollum. He would have to be ranked up there in the school's top five athletes. We got to talking and I told him about one of my teachers, one Louis Haight, who had a profound influence on my life. A teacher of history and civics, Mr. Haight also was one of the first head varsity football coaches Granite City ever had," Holland said.

"Our first day in his class he introduced himself and told us what to expect — he stressed discipline, being on time, and being prepared on all assignments. And, above all, he expected us to pay attention in class."

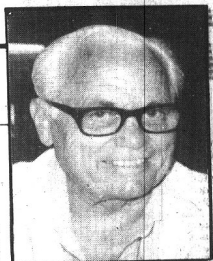

"He might not call on us all year, but if he did, he explained that your grade in the course would depend on how well you were prepared to

answer his question.

"When I finished talking about Haight, McCollum told me that he, too, had been strongly influenced by Haight. And then went on to recite from memory, a poem, a favorite of Haight's which he had retained after over 50 years."

"I don't remember the poet's name, but here it is: 'Isn't it strange that Princes and Kings and Clowns that caper around in sawdust rings and common folks like you and me are builders of Eternity?'"

To each is given a set of rules a shapeless mast and a set of rules

and each must build ere life is flown a stumbling block or a stepping stone."

Holland adds: "Many great athletes, I'm sure, followed the philosophy drawn in Charlie McCollum's poem."

In his postscript, Holland adds: "I almost forgot to mention that I was never late for one of Haight's classes and was always prepared."

Thanks, Jim.

PRICES GOOD THRU SATURDAY, MAY 11 - WE RESERVE RIGHT TO LIMIT

The Five Star Club of Central Bank heard James Calahan, the local representative of "Citizens Against Crime," at a regular meeting last week.

Calahan recommended many ideas for self-protection, and explained how to make one's home more secure and how to discourage intruders. An assailant can size up a victim in just 10 seconds, Calahan said, adding that three important factors considered are risk involved, noise and time required to commit a crime.

Myrna Kesterson, Madison County coordinator of Belleville Area College's Retired Senior Volunteer Pro-

gram, gave details about the Senior Celebration to be held May 31 at 201 Church St., Belleville. All senior citizens are welcome, and buses will be provided at no charge; those planning to attend are to call 876-3223 to reserve a seat. A parade will start at 9 a.m., followed by a picnic from 10 a.m. to 3 p.m. There will be a street dance, cake walk, games, quilt event and craft displays.

Employee Alfond, club coordinator, announced plans for a trip to Hawaii in September. She awarded prizes and served refreshments to 50 members.

Friends of Library sets annual meeting

Friends of the Library will hold their annual meeting on Sunday, May 19, at 2 p.m. in the Jaycee Hall, 205 Edison Ave. The session will not be held at the main library due to construction work there at this time. The program will be presented by the Swing Choir from Coolidge Junior High School. Several items of business will be conducted, including nomination of officers. Plans for a book sale to be held June 7 and 8 at the Wilson Park ice rink will be discussed. Books for this

project are not to be taken to the library, but should be taken to the rink on June 7.

A future program planned is a book service for patients in St. Elizabeth Medical Center. The Friends want donations of paperback books suitable for men and women only; no children's books will be utilized at this time. Books should be in good condition and drop boxes will be set up at the main library for the donated books; volunteers are needed to help with this program, a spokesman said.

Membership is open to the public and all are invited to attend.

Jamie Rucker named finalist

Jamie Rucker, 16, daughter of Mr. and Mrs. Jim Rucker of Erin, Tenn., formerly of Granite City, has been accepted as a state finalist in the Miss American Coed Pageant June 7 and 8 at the Hyatt Regency in Knoxville.

Miss Rucker, who is sponsored by a number of businesses throughout Houston County, lists as her hobbies reading, swimming, basketball and listening to the radio.

The American Coed Pageant is open to girls between the ages of 13 and 18 who are good students. Emphasis is placed on physical fitness, mental alertness, self-confidence, achievement in school, and service in the community and church, while encouraging the girls to set goals for the future.

The 1985 pageant theme is "Youth, Pride of the Present, Hope of the Future." Contestants will be judged on poise, personality, stage appearances, personal interview and achievements. The Tennessee winner will receive her crown, banner, trophy, flowers, a cash award, and an expense-paid vacation to Hawaii Aug. 8-14 to represent Tennessee at the national pageant.

Eagles Auxiliary nominates officers

At a regular meeting of the Eagles Auxiliary, presided over by President Carol Hill, nomination of officers for the 1985-86 year took place, with an election to be held at the next meeting.

The president opened the meeting, with Conductive Yvonne Gray leading the pledge of allegiance and Chaplain Linda Bone giving opening prayer.

Plans were discussed for the annual Mother's Day dinner to be hosted by the Eagles Aerie for all auxiliary members at the Eagles Home.

The president announced a joint installation of Aerie and Auxiliary officers Sunday, June 2, at 2 p.m. President Hill was escorted to the altar by Trustee Angie Buehler and was presented with a gold and diamond rose ring for signing up 25 new members the past year. Yvonne Gray was presented a gold rose ring for enrolling five new members.

A prize was awarded to Mrs. Frazier and the white elephant prize went to Mary Nemeth. Refreshments were served by hostesses Linda Bone and Sharon Shaffer.

AARP Chapter hears assistant state director

At a regular meeting of Granite City Chapter 1346 of the American Association of Retired Persons (AARP), held at the Granite City Township Building, Ruth Toomey, assistant state director, was the guest speaker.

She spoke of health care costs, and said that these costs are rising at such a rapid rate many people cannot keep up with them. Since 1964, some are spending seven times more for health care, physicians' costs have an up 252 percent within the last 10 years, she contended.

AARP now has 18 million members and is urging them to write congressmen and other officials about health care costs. Older Americans are now paying 15 percent of their income for health care, and by 1995, a much higher portion of their funds might be required for this care, the speaker said.

Bernice Mercer, AARP president, opened the meeting, with Vice President Juanita Crawley reciting the Lord's Prayer and leading the pledge of allegiance.

Community Services Chairman Anne Pare reported that free diabetes classes are held at St. Elizabeth Medical Center on Fridays, from 1 to 2:30 p.m., and on Wednesdays and Thursdays from 1 to 2:30 p.m. For information, members were advised to call 798-3144.

She said that smoke detectors are available at the main Granite City fire station for those interested.

Mrs. Pare reported an estimated crowd of 3,000 seniors attended the Annual Senior Citizens Fair at Southern Illinois University at Edwardsville on March 18. A large area was devoted to display and sales of artwork and handicrafts. Health care providers and senior service organizations answered questions and distributed literature throughout the day. Dancing and entertainment were provided.

Bridal shower honors Leah Lombardi

Miss Leah Lombardi was honored Sunday, May 5, at a wedding shower hosted by her aunts, Mesdames Ann Hamilton, Mary Germanese, Virginia Roberts, Debrae Mort and Kathy Lombardi, at the Granite City Township Hall. Decorations, centerpieces, candles and favors were in a red and white theme, colors that are to be incorporated in the wedding.

Misses Gail Poole, Mary Beth Mueller, Michele Lombardi, Suzanne Lombardi and Jamie Wallace and Mrs. Debra Wallace, all to be bridesmaids, assisted the bride-to-be in opening a variety of gifts. Prizes were awarded to a number of the guests. Another

Legislative Chairman Oscar Ash gave a resume on pending bills. He reported there is a promise of a cost-of-living increase of 2 percent next January for Social Security recipients. He added that those who have a refund coming from federal income tax may have to wait a month or longer.

Special Events Chairman Art Lindner reported on a May 8 dinner dance by AARP for its members.

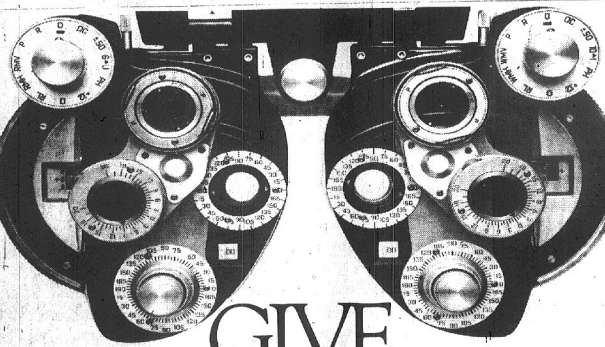

Membership Chairman Marge Hall noted that 20 new members were enrolled, and attendance was 300.

New members include Thomas and Betty Epperson, Frank and Ann Kohopka, Vernal and Betty Deutschman, Louis and Mary Vizer, Raymond and Lydia Herschback, Gerald and Bea Shater, Helen Broadwater, Anna Knieck, Anna Blalock, Margaret Wheeler, Verda McCarl, John Makay, Marie Parks and Mary Breesee.

The president introduced Jim Heaton, librarian at the U.S. Army St. Louis Support Center in Granite City, who spoke on "Front Porch Read Out" (FPRO) and asked that adults read books to children while sitting on the front porch. Pictures will be taken on request of persons reading to children, for forwarding to Modern Maturity, the AARP monthly magazine. Heaton gives books in buckets infolded in the vessels pass through local canal locks.

An Easter hat parade was held, with 21 members participating. Prizes were awarded to Anne Pare, for the most original for her popcorn hat and ensemble; Rosemary Breyer, most original Easter theme bonnet; and Lumeta Durbin, funniest. Judges for the event were Francis Bringer, Agnes Plisk and Angie Buehler.

Refreshments were served by Ann Miller and her committee.

GIVE YOUR PUPILS A THOROUGH EXAM.

At Pearle, we'll see that your pupils—and every other part of your eyes—get the thorough examination they deserve. Because to us you're more than just a customer. You're a patient. So you'll be individually examined by an experienced Doctor of Optometry who'll give you the prescription that's right for you. So come on in to Pearle, and give your eyes a first class exam.

55 Alive program sponsored by AARP

The 55-Alive Driving Course will be available in Granite City. The program is designed to increase older drivers' attention to normal age-related physical changes of vision, hearing and reaction time, and increase their awareness of appropriate driving techniques for today's complex traffic patterns.

The course will be taught in Room 512 at the Granite City Center, 4950 Maryville Road, on Tuesday, May 21, through Thursday, May 23, from 6 to 9 p.m. The cost is \$7 per person for the three nights and may be paid on the first night of the class. Only persons 55 or older are eligible.

Most insurance companies will allow a discount on insurance premiums for seniors who have taken this class, a spokesman said. For further information or to register for the class, senior citizens may call the RSVP office in Granite City at 876-3223.

VFW Auxiliary to host auction

Loretta Rose, president of VFW Post 1300 Auxiliary, announced a public auction will be conducted on Friday, May 10, at 2 p.m. in the VFW hall. Proceeds will be used to aid needy veterans, she said.

Eleanor Myers and Fred Acosta will serve as co-chairmen of the event. They with Rose Dowdy, Rose Hoffman and Sandy Brewner have collected a variety of items for the fund-raising project. Dave Rutz of Highland will serve as auctioneer.

Mrs. Rose attended a Loyalty Day parade and District 12 meeting held in Staunton during the weekend.

A local group of members rode in a truck decorated with flags, auxiliary signs and streamers for the parade. Others participating in the parade and riding in the decorated vehicle, owned by Lois and Charles Hansen, were Eleanor Myers, Shirley Brewner and Judy Blattner of Granite City and Janeen Wilder of the Edwardsville Auxiliary.

Volunteer nurse needed for event

Belleville Area College's Retired Senior Volunteer Program is seeking a retired nurse to volunteer to take blood pressures for the seniors in Venice.

Blood pressure tests will be taken at the new Senior Citizens Center, 1300 Klein St., Venice, one day a week, from 10:30 a.m. until noon. Anyone 60 years of age or older, and having nursing experience, is being asked to contact Myrna Kesterson at the RSVP office, 876-3223.

Macedonian Bulgarian Society celebrates 60th anniversary

The Macedonian Bulgarian Ladies' Aid Society celebrated its 60th anniversary April 28 at the Granite City Township Hall. Two hundred members and guests attended the luncheon program.

Mrs. Tomea Kirchoff, president, gave the welcome address and a history of the organization, which was founded in March 1925 and has enjoyed continuous existence for 60 years. Today there are 57 members, some third- and fourth-generation descendants of charter members.

The Macedonian Bulgarian Ladies' Aid Society was founded as a benevolent society for Macedonian Bulgarian women, many of whom were recent immigrants from the Balkans. It provided cultural and social experiences enabling the women to perpetuate their ethnic, cultural and religious heritage in their new country.

Residents say the organization has made many major contributions to various charities, benefits and institutions throughout the years.

Highlighted among the members' many activities were participation in the bicentennial celebration in July 1976 with their "salute to America" and, most recently, support of the restoration of the Statue of Liberty and creation of an Ellis Island living memorial to the ethnic diversities of America's im-

MACEDONIAN BULGARIAN LADIES AID SOCIETY. Members celebrated the 60th anniversary of the group at a dinner meeting in the Granite City Township Hall, with 200 members and guests present. Front row, from the left, Slava Popovskiy, Don't Popovskiy, Milka Vasiloff, Elizabeth Malincheff, Katherine Todoroff, Rose Doroff, Athena Gitchoff, Zola Palcheff, Maria Natsleff, Tomea Kirchoff, Mary Andria, Milka Klyashoff, Zola Georgieff, Nicha Efimoff

migrants.

Awards were presented to the 60-year charter members in recognition of their service: Mrs. Mary Andria, charter member and first president; Mrs. Andronika Efimoff; Mrs. Jenny Bichinoff of Detroit; Mrs. Tasa Georgieff; Mrs.

Maria Natsleff, past president; Mrs. Athena Gitchoff, past president; Mrs. Milka Klyashoff, past president and secretary; Mrs. Stella Londoff, past president; and Mrs. Tomea Kirchoff, president.

Members of the board of trustees were introduced. They are Mrs.

Elizabeth Malincheff, treasurer; and Mrs. Rose Doroff, Mrs. Katie Todoroff, Mrs. Milka Vasiloff and Mrs. Helen Hinterser.

Scattered around the hall were many large group photographs of the members throughout the years, following the theme that the

organization serves as a "link between generations" and exists as an extended family whose pictures are a part of the "family album."

Among the guests introduced were Henry D. Karandjef, a Macedonian-American, and Associate Judge John Gitchoff and Mayor and Mrs.

Von Dee Cruse of Granite City.

Mrs. Tasa Georgieff gave the invocation and Mrs. Vicki Mayer served as master of ceremonies. The remainder of the afternoon was spent dancing to music provided by Tony Todoroff and his band.

50th anniversary of GC 1935 graduates

A 50th anniversary party was held at Charlie's Restaurant during the weekend for January 1935 graduates of Granite City High School.

Members of the reunion planning committee were Edward Ozanich, Rebecca Voss Slate, Evelyn Halekoff, Fuller, Mary Mosby Hanfelder and Faye Culp Poole.

They compiled a booklet of information from the original Granite High World newspaper for each of those attending and also presented pens and paper weights engraved with the class year as favors.

Class officers were Kenneth Lignoul, president, Louis Vrenick, vice president, Vera Turner, secretary, and Isla Mae Briggs,

treasurer. All were present with the exception of Vrenick.

Joe Sporic was valetorian and Paul Smith was salutatorian of the class. The harvest queen and attendants included Florence Murer, now deceased, and attendants Vera Turner and Elizabeth Taylor.

Class deans were Mabel Spencer and W.F. Coolidge, both deceased and, E. A. Roberts. The latter and his wife attended the social event.

George England and Robert Spengler served as masters of ceremonies.

There were 72 in the class and 37 of them attended the dinner party; 66 people were present for the occasion.

Marriage licenses are issued in county

Marriage licenses issued through the office of Evelyn Bowles, county clerk, Madison County, at Edwardsville to Quad-City residents include:

Eadmon Clay Eason, Granite City, and Rachel Velma Slinkard, South Roxana.

Frank Joseph Guarino, St. Louis, and Janis Sue Villareal, Granite City.

Louis Richard Hale Jr., Alton, and Laurie Ann Braman, Granite City.

Bobby Joe Hyde and Mary Elizabeth Green, both of Granite City.

Brett Lynn Nash, Brighton, Ill., and Cynthia Annette Castile, Granite City.

Darin Dewane Ollis, Granite City, and Sheila Renee Hurley, St. Louis.

Real gold in perfume.

They may not enhance the fragrance, but tiny flakes of 23-karat gold add shimmering highlights to a new perfume. The luxury perfume, which went on sale recently in Canada, is appropriately called L'Air d'Or.

GOP Women host county meeting

The Granite City Republican Women's Club hosted the annual meeting of the Madison County Federation of Republican Women's Clubs last week at Burns Cafeteria.

Mrs. Regina Benson, president of the Illinois Federation of Republican Women, was guest speaker. She introduced representatives from Greater Alton, Lewis and Clark, Edwardsville, Marine, Collinsville and Granite City clubs. Christine Payne accepted the attendance trophy for Marine.

Irma Taylor registered members and guests and Gladys Pape was in charge of the prizes.

Granite City President Vernice Walter recalled that on March 18, 1963, the federation was organized in Granite City and the late U.S. Senator Ralph Smith was the guest speaker.

Eleanor Schulte, county chair-

man, and Gladys Aubrecht, both of Edwardsville, gave reports from the IFRW spring conference held in Peoria. The former presented state honor awards to Marine, Edwardsville and Granite City.

Donna Graham, chairman of the annual dinner dance, reported plans for the event, which is set for Sept. 15 at the American Legion in Edwardsville. Tickets costing \$12.50 each are available from members.

Janet Wilson, past president of the local club, served as installing officer for the 1985-86 officers. They include Betty Lanz, president,

Earleen Stutz, first vice president, Dixie Weber, second vice president, Carol McBride, corresponding secretary, and Donna Graham, treasurer.

River Bluffs Girl Scout Council will sponsor a financial management seminar for women at Southern Illinois University at Edwardsville on June 22. It was noted.

The next board meeting will be held July 15 and the fall dinner meeting is set for Oct. 21 with the Marine Club as host. A luncheon of the local group will be held May 25 at Burns Cafeteria.

Serving our country

News of Quad-City area servicemen serving in the various branches of the U.S. military includes:

TIMOTHY MIZELL

Army Pvt. Timothy R. Mizell, 18, son of Mr. and Mrs. Dickey (Sue) Mizell, 2123 Dawn Place, has been assigned to Oahu, Hawaii, where he is expected to remain for the next 18 months.

He completed basic training in December and graduated from Advanced Individual Training in February at Fort Jackson, S. C. He participated in such courses as tactics, drill and ceremonies, military courtesy and justice, first aid and Army history and traditions.

During the instruction, he qualified and achieved an expert rating in hand grenade throwing and firing the M-16 rifle.

Mizell was assigned to Oahu in February and is presently working in the personnel management office. Among his duties is processing other military personnel to their next assigned duty station.

The local serviceman graduated in 1984 from Granite City High School. Friends may write to:

Pvt. 2 Timothy R. Mizell, 324-72-8255, Schofield Barracks, 25th A. G. Co., Oahu, Hawaii 96857.

ROBERT PIEPER ALLEN KIRGAN

Navy Petty Officers Robert Pieper and Allen Kirgan, both of Granite City, have been selected to be members of this year's Navy Judo team.

Pieper and Kirgan were among nine Navy athletes who participated April 26-27 in the National Judo Championships in Detroit, Mich.

Both men trained for nearly a month at the Navy's Judo training camp at the Naval Air Station Memphis at Millington, Tenn., where talented athletes train for competition in interservice, national and international events such as the Pan American and Olympic games.

Pieper, an aviation electronics technician, is assigned to Anti-Submarine Aircraft Patrol Squadron 48 at Moffett Field, Calif. Kirgan, a ship's boiler technician, is stationed at Naval Air Station Memphis.

CLIFTON JONES

Marine Gunnery Sgt. Clifton Jones, son of Nancy L. Jones, 44 Venice Homes, Venice, has reenlisted for six years while serving with the 2nd Marine Aircraft Wing, Marine Corps Air Station at Cherry Point, N. C.

WILLIAM BAIN

Army Reserve Pvt. William R. Bain, son of Mr. and Mrs. William B. (Judy A.) Bain, 657 Ashland Ave., Mitchell, has completed basic training at Fort Dix, Trenton, N. J.

RICHARD STEPHENS

Airman Richard E. Stephens, son of Mr. and Mrs. Ernie L. (Fern E.) Stephens, 2106 Lee Ave., has graduated from the U. S. Air Force security police specialist course at Lackland Air Force Base, San Antonio, Tex.

Graduates of the course studied systems security operations, tactics and weapons training and earned credits toward an associate degree in applied science through the Community College of the Air Force. Stephens, a 1984 graduate of Granite City High School, is scheduled to serve with the 381st Security Police Squadron at McConnell Air Force Base, Kan.

TODD AUSTIN

Todd W. Austin of Granite City has enlisted in the Army with the assistance of Staff Sgt. John Robbins under the provisions of the Delayed Entry Program (DEP).

The DEP allows a recruit to begin duty up to 12 months after enlisting, while receiving credit for time in service for pay and assignment considerations from the original date of enlistment.

Austin has received a written guarantee from the Army that he will be trained as a multichannel communications equipment

operator, the job position of his choice.

Currently a senior at Granite City High School, Austin will report for active duty on July 15 and will take basic training at Fort Jackson, S. C.

Young people who believe they can meet the Army's physical and aptitude standards are invited to contact Staff Sgt. Robbins, the local Army recruiter, to learn more about Army opportunities. Information is available about the Army College Fund, skill training, educational aid, travel options cash bonuses and many other benefits geared to U. S. Army service.

Those interested may visit the recruiting station at 3675 Nameoki Road, or call 876-5650. Out of town residents may call collect.

JAMES HUBERT

Airman James P. Hubert, son of Gwen E. and Melvin G. Hubert, 179 Briarwood Drive, has been assigned to Shepard Air Force Base, Texas, after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, San Antonio, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

He will now receive specialized instruction in the medical services field.

Hubert is a 1984 graduate of Granite City High School.

JAMES KLAUS

Marine Cpl. James B. Klaus, son of Barbara A. Headrick, 2013 Cottage Ave., has been promoted to his present rank while serving with 1st Marine Division at Camp Pendleton, Calif.

TONY BAKER

Army Reserve Pvt. Tony Baker, son of Mr. and Mrs. Earl L. Walker Sr., 919 Franklin St., Madison, has completed basic training at Fort Knox, Ky.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy and military justice, first aid and Army history and traditions.

He is a 1984 graduate of Madison High School.

DARIN CLEMENTS

Airman Darin W. Clements, son of Mary K. Clements, 2115 Lee Ave., has graduated from the U.S. Air Force security police specialist course at Lackland Air Force Base, Texas.

Graduates of the course studied systems security operations, tactics and weapons training and earned credits toward an associate degree in applied science through the Community College of the Air Force.

Clements is a 1984 graduate of Granite City High School.

Granite City (Ill.) Press-Record, Thursday, May 9, 1985 - 21

struction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

He is a 1983 graduate of Granite City High School.

DAVID MILLISAP

Navy Airman Apprentice David A. Millisap, a 1984 graduate of Granite City High School, has completed an aviation structural mechanic's safety equipment course.

During the nine-week course at the Naval Air Technical Training Center at Millington, Tenn., Millisap was trained in the inspection, maintenance and repair of aircraft frames, exteriors, ejection, air circulation and pressurization systems. Classroom and practical application periods, included studies in blueprint reading, corrosion control, metalworking, gaseous and liquid oxygen systems, ejection seats and canopies and fire extinguishing systems.

Military Spouse Day

A luncheon and fashion show will highlight National Military Spouse Day, scheduled Saturday, May 18, at the Granite City Army Installation.

The St. Louis Area Support Center, known locally as the GC Army Installation, will host several events on that date, all honoring the military spouse.

The fashion show and a color analysis segment will take place from 10 until 11:30 a.m. in the installation's auditorium.

Preregistration is required in order to attend the luncheon, arranged for both husbands and wives and scheduled for 11:30 to 12:30 in the Community Club.

The luncheon cost is \$5 per couple and checks are to be mailed prior to May 15 to: Army Community Service, St. Louis Area Support Center, Bldg. 102, Granite City, Ill. 62040. Attn: Pat Gay, Director.

A special presentation will be given from 12:30 until 1:30 p.m. in the Community Club, followed by a stress management seminar from 1:15 to 2:15 p.m. in the auditorium.

Babysitting service will be provided at minimum cost at the Granite City Day Care center, it was reported.

Area wives or husbands of

military personnel who are interested in attending may call 452-4260 or 452-4495 for additional information, Gay said.

TWO INJURED IN ACCIDENT

ON NAMEOKI ROAD SATURDAY

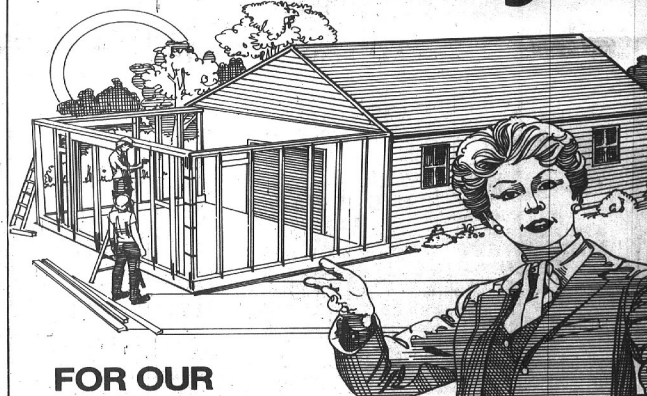

Two 16-year-olds were injured in an accident May 4 at Nameoki Road and Clark Avenue. Those hurt were the operator of a motorcycle, Terry A. Flaughter, 2545 North St., and her passenger, Rhonda R. Flaughter, 3131 Rodger Ave., both were treated at St. Elizabeth Medical Center.

The driver of an auto, Charles A. Svoboda, 48, of 4946 Vest Ave. was not injured. Terry Flaughter told police she was southbound when the auto stopped in front of her and she lost control of her vehicle, crashing into the back of Svoboda's car.

we got the money

FOR OUR HOME IMPROVEMENT FROM

First Granite City Savings & Loan

It's not just a home, it's a way of life. We wanted it to be as comfortable and attractive as possible, and for us, that meant adding on a room. We could have waited until we had enough money in the bank, but with rising costs and expenses, it might have taken years. Instead, we realized that a low cost home improvement loan was the answer, so we came here and applied. Once our loan was approved, we had the cash to begin making those long awaited improvements, and were able to work out a budgeted payment plan that would allow us to enjoy life now as well as our "new" home.

TWO LOCATIONS

1520 JOHNSON RD.
452-3717

If your kid had a fever, would you take someone else's temperature?

Wouldn't make much sense, would it? But that's practically what television stations are doing when they give a St. Louis temperature or weather forecast and expect it to matter to you in Granite City. And at Channel 4, we realize that the temperature 15 miles away from you just doesn't tell you much about the weather in Granite City.

So, the other day we sat around and put our best minds to work figuring out how we could use some great, really sophisticated weather equipment to solve our problem. And then this kid in the Newsroom said, "Why don't we just set up a miniature weather bureau in Granite City, and maybe another one in Alton, and in all the other places in that same situation?"

Well, we had to admit, it made a lot of sense to have someone in Granite City report Granite City's weather to Channel 4. And we said, "Let's do it -- but what should we call it?"

So once again, we put our best minds together to come up with a name for our network of weather watchers. And then the same smart aleck kid said, "Why don't we just call it 'The Channel 4 Weather Watcher Network?'"

To make a long story short, we're pleased to introduce "The Channel 4 Weather Watcher Network," with Glen England reporting to us from your home town. So now, when you want to know what the weather is in Granite City, you don't have to stick your head out the window any more. Just watch Channel 4, we'll tell it like it is...at 5, 6 and 10.

DUV to mark 100th anniversary

The 100th anniversary of the Daughters of Union Veterans of the Civil War will be observed at the convention of the DUV in Canton,

We Have A Large Selection of Mother's Day Gifts

30% OFF GREENWARE

Ohio, Aug. 4-9. Bessie Seibold, president of Aunt Becky Young Tent 92, announced convention reservations must be made by July 4. She said the organization was organized Dec. 12, 1885.

A luncheon meeting was held at Ervay's Restaurant and opening prayer was offered by Arline Fox, who also read an article, "The Flag and Its Meaning." Games were played and the afternoon prize went to Vi Kassabaum. Others attending were Irma Taylor, Louise Thompson, Vivian Rowden, Verna Michel, Leitha Gitchoff, Enid Bolin, Evelyn Ringering and Peggy Gibbons.

FIVE GENERATIONS of the McDonald family gather in Granite City for a dinner party. Front row, left to right, Christine Sipes with her son, Clinton Sipes, of Granite City and Julia McDonald of Perma, Mo., great-great-grandmother. Standing are Cathy Bobb, grandmother, and Margie Reinhardt, great-grandmother, both of Granite City.

Mother's Day party set for Magic House

Mothers and their children are invited to The Magic House for a special Mother's Day party. From noon to 4 p.m. on Sunday, May 12, mothers will be honored at the not-for-profit participatory museum located at 516 S. Kirkwood Road, St. Louis.

A free pink carnation will be presented to each mother who is accompanied by at least one child. In addition, all mothers who are wearing pink will be admitted free. Visitors will be served a glass of pink lemonade.

To assist the children who bring their mothers to this event, the admission for mothers not wearing pink will be reduced 50 cents.

Children who would like to write a poem about their mothers may enter a poetry contest to be held on Mother's Day. Poems will be judged in three age categories: 8 years old and under, 9 to 12 years old, and 13 and older. Winners will receive matching mother and child Magic House t-shirts.

Regular admission to The Magic House is \$2.50 and \$2 for children under 12 years of age. Group rates are available, and parking is free.

YMCA to add a suntan booth

The Tri-City Area YMCA has just arranged the purchase of a suntanning booth. Described as modern and convenient, the booth is equipped with an AM/FM stereo cassette player and an air-conditioner.

Two or three 15-minute visits give the user an even tan and prevent burning when he or she goes out into the sun, a spokesman said.

The booth will be available about May 15 and will be used on a reservation basis. The fee for using the booth is \$3 for YMCA members and \$5 for non-members. Multiple visit cards will be available at a discount.

Social Notes

By DONNA KIMBRO
 Staff writer

ARTHRITIS EDUCATIONAL information is to be presented Friday, May 10, from 2 to 4 p.m. at Lewis & Clark College, Godfrey, sponsored by the Alton Branch, Central Illinois Chapter of the Arthritis Foundation.

The meeting is open to the public, free of charge, and will feature guest speakers, Dr. Steven Lauter, a St. Louis rheumatologist, and William Nash of Alton Physical Therapy.

THE REV. GABRIEL Biondello of Our Lady of the Snows Shrine in Belleville will speak at a meeting Friday, May 17, of Southern Illinois Divorced and Separated Catholics. The meeting will convene at 7:30 p.m. in Eckhard Hall, St. Boniface Church, 110 N. Buchanan, Edwardsville, and is open to the public.

GOING PLACES is the theme of the Christian Women's Club luncheon set for Tuesday, May 14, at Randy's Restaurant in Troy, Ill. Ron Briney, a pilot with Ozark Airlines, will speak on "how to take the lug out of luggage," with travel and packing tips.

Reservations must be made by Friday, May 10, by calling 345-5634.

A SALAD BUFFET for ladies will be served in Wesley Hall of Niedringhaus United Methodist Church today at 6:30 p.m.

The announcement was made at meetings of both the Ruth Circle and Naomi Circle of the church.

Devotions at the Ruth Circle session were presented by Gladys Potillo on "The Merry Heart," and Shirley Frick addressed Naomi Circle members with "The History and Significance of Mother's Day."

OF INTEREST HERE, former Granite City residents, Mr. and Mrs. Keith (Sharon Huling) Lee, who now reside at 820 Willoway, East Alton, are announcing the birth of a daughter on April 25.

The infant was born at St. John's Mercy Medical Center in St. Louis County and has been named Erin Michele. She weighed 8 pounds, 7 ounces, and has a 3½-year old brother, Matthew Ryan.

Grandparents are Mr. and Mrs. Bill Lee of Granite City and Mr. and Mrs. James Huling of Belleville.

VACATIONISTS RETURNING were Mr. and Mrs. Harding Spicer and Mrs. Lanny Christian and children, Laura and Seth. They vacationed with friends in California.

Carol Christian attended "The Price is Right" program and was chosen as a contestant. She won a dishwasher and electric computer car. The program will be aired locally on May 27.

A BRIDE-ELECT HONORED was Dawn Young, who will marry John Michael Misturak on May 18. She was honored at a bridal shower given in Chouteau Township Hall.

Forty-three guests attended and participated in games, followed by

refreshments served by hostesses Monica Young, Lisa Misturak, Jeanne Hartline, Nancy Kern and Suzanne Schaefer.

A PLANNING MEETING of Parents for Special Education was conducted at Central Christian Church to finalize events in May and the summer. On May 11 and 18 there will be "partner bowl," featuring a parent or partner bowling with the children. The summer bowling schedule will begin June 6 at 3:45 p.m.

The bowling banquet for the winter session will be Thursday, May 23, at Granite City Township Hall at 6 p.m.

A graduation dance for special education students is planned Friday, May 10, at the Venice Recreation Center.

BREAD-MAKING was demonstrated by Mrs. Vasil Vassileff at a monthly meeting of the Women's Division of the Tri-Cities Area Chamber of Commerce, held at Southern Illinois University at Edwardsville.

Mrs. Jacques DeWitt reviewed the project of weeding and cleaning the park at 24th Street and Washington Avenue, in preparation for planting of flowers for the summer.

Volunteers are needed to continue the work of the Beautification Committee, headed by Mary Jessie. Those interested in working with the committee are calling her at 831-2355.

The next meeting will be a mother-daughter banquet featuring a style show tonight at the Edwardsville Holiday Inn.

ACTIVE WOMEN members of the Garden Study Club planted two pin oak trees at the Granite City Township Building in keeping with the Arbor Day observance. It was announced at a meeting hosted by Norma Crenshaw.

To open the meeting, each member answered a call by naming favorite grass species and discussed summer projects.

GRANITE CITY JUNIOR SERVICE club members installed the 1985-86 corps of officers at a dinner meeting at Rascal's Restaurant in Collinsville.

Those to serve for the year are Donna Polivick, president; Debbie McMillan first vice president, Lynette Burnett recording secretary, Joyce Curran treasurer, Becky Serlich second vice president, Sarah Repp corresponding secretary and Jeannie Wilbur, chaplain.

The club approved a donation for Stephen Kusmierak, a senior student at Granite City High School, to be used toward a trip to Europe this summer. He is involved in International Student Leadership and will study in Oxford, London, Brussels and Paris.

A new member, Pat Murphy, was initiated at the social session.

State historical meeting

The St. Clair County Historical Society will host the annual meeting of the Illinois Historical Society May 17 to 19.

The three-day meeting at the Collinsville Hilton Inn will include tours

of Laclede's Landing, the Belleville Historic District, St. Clair County Historical Museum, Jarrot Mansion and Holy Family Church in Cahokia, Cahokia Courthouse, Cahokia Mounds State Historic Site, Shrine of Our Lady of the Snows, and the Goldenrod Showbowl.

Delegates to the meeting will also view a style show of period clothing modeled by members of the St. Clair County Historical Society and will listen to a presentation on local history by Belleville East High School instructor Robert Genisch.

Population up in past year

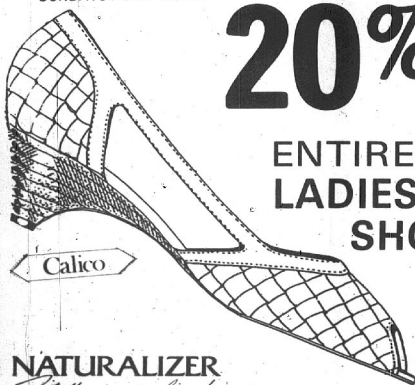

Madison County's population gained by 500 in the past year and is now estimated to be 244,959, down 1.4 percent from the 1980 census, a Dun & Bradstreet survey showed this week.

WILDERNESS WAGON RIDE will be held at 12:30 p.m., 1:30 p.m., 2:30 p.m. and 8:30 p.m., every Sunday in May at Shaw's Arboretum in Gray Summit.

Pace family preparing to open new hardware store

By DONNA KIMBRO

Staff writer

A new business location in Madison for an established Venice hardware store will become a reality in June.

Pace Hardware has operated in Venice for 49 years.

Alfred Pace, owner and operator of the Venice enterprise, is in the process of moving his business to the former Friedman Furniture and Hardware Store located at 421 Madison Ave. He purchased the building from Jack Friedman, who is planning to retire.

A grand opening is planned in conjunction with the First National Bank in Madison and Voloski's Restaurant on June 8.

Final plans for the festivities in June have not yet been completed but the hardware store will present small (free) gifts, balloons and refreshments on the opening day.

The two youngest sons of Mr. and Mrs. Pace, Frank and Russell Pace, will be full-time employees of the business and will assist their father with the new concept of self-service operation now being installed at the Madison store.

The facility will feature new fixtures, designed and situated in the store for the convenience of customers.

A new line of products, from Sentry, will be added to the current inventory of a large variety of hardware, electrical, carpenter and plumbing items, paint, tools of every description, carpeting and linoleum.

The merchandise will be placed in sections of the store to create a department of specific articles relating to each craft or type of household repair.

Although renovation of the interior of the store is progressing, the exterior of the building will remain the same with the exception of new signs presenting the name of the company.

The Paces are former residents of Venice and have just recently moved to Collinsville. Frank, who is 24, started working in the Pace store at age eight and has continued his interest in the business field.

The tentative plan for the upper level of the building is to remodel that area and offer it in the future for rental office space. There is a separate entrance to the upstairs, Pace noted.

His wife, Bertha, is a registered nurse and has worked at St. Elizabeth Medical Center for many years.

They are the parents of three sons, Alfred Jr., Frank and Russell of

Granite City, and two daughters, Mrs. Kathy Goff, who is a nurse at The Colonades Nursing Home, and Mrs. Virginia Blackburn, a teacher at Rend Lake School near Mount Vernon, Ill.

They have nine grandchildren.

EXPECTANT SIBLING CLASSES will be held from 10 a.m. until noon Saturday, May 11, in the solarium located on the obstetrics floor of St. Elizabeth Medical Center. To attend the class, children must be two years of age or older, and the mother must be at least six months pregnant. The class is free but advance registration is required at 780-3640.

PARENT AND TEACHER CLUB of Blair School, College and Mercedia avenues, is hosting a 25-year reunion on Friday, May 10. The event will be for the faculty and personnel from 1960 to 1985 and will take place in the multipurpose room at the school (41-6299 or 876-4813).

PREGNANCY TESTING AND COUNSELING will be available from 9 a.m. to 1 p.m. Friday, May 10, at Madison County Urban League, 500 Madison Ave. Medicaid is accepted. No appointment is necessary.

RABIES CLINIC will be held from 1 to 2:30 p.m. Saturday, May 11, at Nameki Township Garage, 4250 Hwy. 162. Rabies shots will be \$6.

SENIOR OLYMPICS sponsored by Southwest Illinois Agency on Aging and Southern Illinois University at Edwardsville, will be presented Friday and Saturday, May 10 and 11, at the university. Registration is \$5 for persons residing in Madison County. The games are open to anyone over the age of 55. The phone number for information is 1-692-3210.

SLAVIC CONFERENCE will take place at Southern Illinois University at Edwardsville beginning at 6:30 p.m. Saturday, May 11, with a banquet. Professor Kamil Winter will be the guest speaker at this annual conference of the Slavic and East European Friends organization. For information, interested persons may call Dr. Vasil Vasileff at 931-5932.

Dances

KNIGHTS OF COLUMBUS will hold a building dedication dance from 6 to 10 p.m. Saturday, May 11. Music will be by the Horizons. Beer and set-ups will be furnished. There will be a donation of \$10 per couple.

HIGHLAND VFW POST 5694 will hold a dance from 8 p.m. to midnight Saturday, May 11, at the Highland Post Home. Admission is \$5 per person at the door and the event is open to the public.

On stage

"THIEVES," a comedy by Herb Gardner, will conclude the current season of the Southern Illinois University at Edwardsville Theater with a run beginning at 8:15 p.m. today, May 9, and additional performances at the same time on Friday and Saturday, May 10 and 11. There will be a final matinee performance at 2 p.m. on Sunday, May 12. Tickets are \$4.50 for adults; \$4 for seniors, Friends of Theater and Dance, and students at other institutions; \$3.75 for SIUE students, faculty, staff and alumni; and \$2.50 for children under 12.

"ALICE IN BLUNDERLAND," reflections of a nuclear age, a contemporary musical allegory, will be presented by members of North St. Louis County Churches, at 7:30 p.m. Saturday and Sunday, May 11 and 12, at Immanuel United Church of Christ, 221 Church St., Ferguson, Mo. There will be a freewill offering (1-314-797-0507).

All real estate advertising in this newspaper is subject to the Federal Fair Housing Act of 1968, which makes it illegal to advertise "any preference, limitation or discrimination based on race, color, religion, sex, or national origin, or an intention to make any such preference limitation or discrimination."

This newspaper will not knowingly accept any advertising for real estate which is in violation of the law. Our readers are informed that all dwellings advertised in this newspaper are available on an equal opportunity basis.

ADVERTISERS NOTE!

ADVERTISERS ARE REQUIRED to check the first insertion of ads for errors. East Side Publications will be responsible for only one incorrect insertion. Any error should be reported immediately. Please check your ad carefully upon its initial insertion and report any errors to this office at 876-2000.

LIABILITY OF East Side Publications in the event of failure to publish an advertisement for any reason or in the event that errors occur in the publishing of an advertisement shall be limited to the space occupied by the items of advertisement.

CLAIMS CONCERNING OMISSIONS or incorrect insertions will not be considered unless made within 30 days of publication.

IS SLASHING PRICES
ON USED CARS!!!

GONZO SEZ. . .
March was our best used car month ever, but the boss wants me to match last month's sales figures. With new car sales hot, I'll have to drop the price drastically to meet this goal. So You Are The Winner!

The Bi-State Development Agency solicits and encourages disadvantaged/female business enterprise participation with regard to this project. DBE's will be afforded full consideration of their responses and will not be subject to discrimination. Respondents will be required to comply with the Agency's Disadvantaged

State Rep. Sam Wolf, I have asked Ranft to serve in this bipartisan effort to increase our state's share of the federal procurement dollar," Madigan said.

Wolf said, "Carl Ranft shares our belief that Illinois business should take a leading role in the effort to bring more federal money to our state and he is dedicated to making this program a success."

Madigan and House Minority Leader Lee Daniels on Feb. 28, will include four regional councils representing north, northeast, central and southern portions of the state.

Each regional council will serve as a study group to take an inventory of local products and services and match these with the needs of various federal agencies.

Representatives from these regional councils will form a statewide board which will coordinate lobbying for more federal procurement of Illinois products.
